SCHOOL CONDITIONS TO BE DISCUSSED AT CONFERENCE

Southern Glendale People to
Meet Board of Education
About Cerritos Building

At the meeting of the Southern Glendale Improvement club, which was held in the branch library building on South Brand boulevard last night, it was evidenced that the people of the southern section of the city are in no way letting down in the agitation recently started in the matter of at least securing proper fire protection for the present Cerritos avenue school and also to advocate the erection of a modern fireproof structure.

In order that there may be a better understanding between the people of that section and the members of the school board, it was decided that a special meeting of the Southern Glendale Improvement club will be held next Wednesday night, September 28, at 7:30 o'clock in the branch library building, to which the members of the school board and Richardson D. White will be invited to attend and discuss the situation at this school, as the people in that district, it was stated, desire to be properly informed before voting at the coming \$260,000 school bond election.

Report Is Criticized

A report of investigation made by Fire Chief Lankford in regard to fire-protection at the Cerritos avenue school was criticized. C. L. Brenkman, who in the absence of Stuart Street, conducted the meeting last night, stated that the fact that the building was of wooden construction and greatly overworked would alone make the school building a fire trap. The section of Chief Lankford's report stating that there would be no excuse for children being caught in the building in case of fire brought forth the argument that, although it had been suggested by some that in case of fire the greater number of the children on the first floor could jump from the windows, as the first floor rooms take care of the smaller children it would be impossible for them to jump from the windows in case of fire, as they were too high above the ground.

Parents of children attending the school who were present at the meeting last night stated that the one fire escape from the lower floor and the main entrance to the building, which it was stated was directly over the furnace, would not be sufficient to take care of the children in the case of an emergency.

The danger of the use of the slides from the second floor to the ground was pointed out. Mrs. E. J. Morgan stated that it was practically impossible to use these slides unless there were a number of older people at the bottom to catch the children as they came down, otherwise, she stated, they would jam the slides and would not only shut off that avenue of escape but also would incur such injuries as broken arms, collar bones, etc.

As stated in the fire chief's report, the only immediate available water supply was from a fire hydrant across the street from the school. Although there is another fire hydrant at the corner, it was stated, these two could not be used at the same time.

In the matter of using the hydrant (Continued on Page 13).

California Weather on European Journey, States Miss Fisher

"We had regular California weather," stated Miss Katherine Fisher, commenting upon the trip of the Alfred Fisher family and Miss Maud Holloway to England and return, which has just been completed.

"It didn't rain one day while we were away. We left in April and just got back. Of course, the farmers were complaining because it didn't rain. We had some fog up near Halifax, but the ocean was as smooth as a mill pond."

"The trip took us twelve days which was rather long, but we didn't mind it. We would have liked to have stayed over there. We have relatives there, you know, and that makes a lot of difference."

D. C. Methven's Home Has Den for Feature

A den will be one of the features of D. C. Methven's new home, 208 West Maple street, which is now under construction under the direction of H. A. Stolper of Burbank. The bungalow is divided into a somewhat indefinite number of rooms and is accompanied by a garage. Mr. Methven now lives at 415 West Elk avenue.

MORE THAN \$5,000,000 BUILDING HERE THIS YEAR NOW IN SIGHT; SEPTEMBER TO BREAK RECORDS

Unprecedented Number Of Permits For Residences
Combined With Hotel, Church, Apartment
Plans, Keeping Glendale To Fore

UNPRECEDENTED IN NUMBERS, permits for construction work in Glendale are literally swamping the building superintendent's office at the city hall. The total for the month today noon was \$382,925 and the year shows \$3,283,359.

It is expected that the Presbyterian church building, estimated to cost upwards \$150,000, will come in on this month's figures and with one or two business blocks and the average run of new residences September will break all records.

In October the new Ambrosini hotel building to cost more than \$500,000, if present plans are carried out, will force the year's total to more than \$5,000,000. Other big buildings are expected to be of record before New Year's eve as it was hinted by Attorney Owen C. Emery at last night's meeting of the City Council that the Ambrosini company plans several other large improvements in eastern Glendale.

Mr. Ambrosini has expressed a desire in time past to see a three or four floor apartment and business block on the corner now occupied by the White Inn. He also has plans for a theatre, but of course these must await the culmination of the hotel plans which are now being made by the R. L. Kent company.

Here Are Permits

Today's World News In Brief

(By United Press to Glendale Evening News)

ALLIED AMBASSADORS SEND ULTIMATUM TO HUNGARY

PARIS, Sept. 23.—The allied ambassadors' council today sent an ultimatum to the Hungarian government, directing that Hungarian troops be withdrawn from Burgenland, the disputed territory on the Austrian border, within a few days. Otherwise, the note says, "appropriate measures will be taken."

NEW YORK GIANTS WILL CINCH PENNANT SURE 'IF'

NEW YORK, Sept. 23.—Five victories out of their seven remaining games will cinch the pennant for the New York Giants, even if the Pittsburgh Pirates should win their last nine games. If the Giants win four of seven they can get nothing worse than a tie. Three victories out of the seven games will force Pittsburgh to win eight out of nine games.

PEACE TREATIES ARE REPORTED FOR RATIFICATION

WASHINGTON, Sept. 23.—With one reservation attached, the senate foreign relations committee today reported to the senate for ratification the three new peace treaties with Germany, Austria and Hungary. The vote of the committee was 9 to 1. The reservation was designed to meet partially the objections against the new treaties raised by Senator Borah, Idaho. This concession, however, did not satisfy the irreconcilable leader and he cast the only vote against reporting the new pacts.

HEAVY TAXES AGAINST CONTRABAND LIQUOR OWNERS

CHICAGO, Sept. 23.—Millions of dollars in taxes will be assessed against owners of contraband liquor after which prosecution will follow, it was learned here today. Internal revenue taxes on liquor have never been repealed. The flying squadron of twenty federal agents that "mopped up" New York, Indianapolis and Chicago was sent out from Washington to assess taxes and get evidence for prosecution, the United Press was reliably informed. The squadron is scheduled to mop up San Francisco next, it was said.

WHOLE LIST OF STOCKS BETTER IN EARLY TRADING

NEW YORK, Sept. 23.—The whole list of stocks was buoyant in the early trading on the New York stock exchange today. Baldwin locomotive led an upward movement and made an early high at 89, over five points up from this week's low. Steel common was another leader, making an early high at 79½, compared with a high this month of 80¼; Asphalt's early sales were up over a point and Mexican Petroleum sold at 104¼, up 6¼ points from Thursday's low. D. L. & W. continued to lead the rails and went to 111 at the opening. Southern Pacific gained ¾ at 79¼.

MRS. IVY HATCHER IS DEAD

Mrs. Ivy Hatcher died this morning, Friday, September 23, 1921, at her home, 416 South Adams street, surrounded by her three children, Lorraine, Orbie and H. W. Hatcher. The L. G. Scovern Undertaking company was notified immediately of the funeral, but arrangements for the final ceremonies have not been made yet. Mrs. Hatcher had been a resident of Glendale for about two years. It is reported that she had been ill for some time.

WOMEN'S GUILD IN SESSION

The regular meeting of the Women's Guild of St. Mark's church was held in the guild hall yesterday afternoon. In the absence of the president, Mrs. B. O. Holbrook, Mrs. Mortimer Baker, vice-president, was in charge. After a short business meeting the remainder of the afternoon was devoted to quilting and other needlework. Visitors for the afternoon were Mrs. B. B. Atwood and Miss Lila Litch, recent newcomers to Glendale from Gardner, Mass.

MISS CLARA GOUDIE AND W. E. GORDON ARE MARRIED

Ceremony Takes Place In
Home of Rev. Father O'Neill
on Wednesday Evening

The home of Rev. Father James S. O'Neill, 827 East Lomita avenue, was the scene of a pretty twilight wedding Wednesday evening when Clara Marie Goudie, daughter of Mr. and Mrs. Robert C. Goudie of 419 West Colorado street, became the bride of William E. Gordon, petty officer on the U. S. S. "Texas," the culmination of a war romance.

The bride was gowned in white satin and net, and carried a bouquet of white sweet peas. Her veil was fastened by a wreath of orange blossoms. She was attended by her sister, Grace Goudie, who wore orchid georgette and corsage bouquet of lavender sweet peas. The bridegroom was attended by Earl K. Andrews, also of the U. S. N.

Following the wedding ceremony a reception and buffet supper was held at the home of the bride's parents, after which music and dancing were enjoyed.

Those in Attendance

Among those present were Mr. and Mrs. Robert C. Goudie, Jr., and son, Robert III, Mr. and Mrs. F. A. Budway, Mr. and Mrs. Charles Rudel and son Charles, Jr., Mr. and Mrs. Melburn Edwards and daughter Elaine, Mr. and Mrs. George E. Whittemore, Miss Peggy McCluskey, Miss Rose McLaughlin, Frank E. Budway, John Crawford Goss, Frank Webb, James McCluskey, Mr. and Mrs. Jack Goudie, Miss Grace Goudie, Earl K. Andrews and Mr. and Mrs. Robert C. Goudie, Sr.

After a short honeymoon trip the young couple will make their home in San Pedro.

Of unusual interest is the fact that both Mr. and Mrs. Gordon are descendants of sea faring families.

Noted Sea Faring Families

On her maternal side, Mrs. Gordon can trace direct lineage to Admiral Crawford Duncan, one of the foremost officers of his day in the British navy. Her mother is the great granddaughter of John Goss, a sea captain for sixty years, of Marblehead, Massachusetts, and the granddaughter of Crawford Duncan Goss of the U. S. N. Mrs. Goudie is also a grandniece of Patrick Byrnes, who served in the United States navy forty years, and Michael Farrell, a native of Ireland, who served in the British navy for over twenty years. James Goudie of Quebec, a naval architect who designed and constructed the first ship that crossed the Atlantic solely by steam, was also the great grandfather of Mrs. Gordon.

Mrs. Gordon has been a resident of Glendale for the past ten years and attended high school in this city. She was also a member of the Y. L. I. society.

Silver Wedding Date Fittingly Celebrated by Mr. and Mrs. Beere

Mr. and Mrs. P. F. J. Beere of 623 South Glendale avenue, who recently arrived in Glendale from St. Paul, Minnesota, celebrated their silver wedding anniversary at their home last night. A social evening with music, games and refreshments was enjoyed by the guests present, which included Mr. and Mrs. Lewis F. Lamonte and daughter Gwendolyn, Harold Beere, Miss Eunice Beere, Mr. and Mrs. A. D. Smith, Arthur Lawrence Smith, Mr. and Mrs. A. Musgrove Roberts. Mr. and Mrs. Beere were warmly felicitated in honor of the occasion.

Mr. and Mrs. Beere, who arrived in Glendale just four weeks ago today, made the overland journey from their former home by automobile. They chose the northern route, coming by way of North and South Dakota, Montana and Washington to Seattle, then down the coast through Portland, Oregon and San Francisco to Glendale. They were so delighted with this city that they decided to make their home here. Accompanying them on the trip was their son Harold, who has secured a position with the Los Angeles Trust & Savings Bank, and their daughter Eunice, who has entered as a student at Glendale Union high school.

JOINT MEETING BEING HELD

The members of the N. P. Banks Post and Women's Relief Corps are today holding their regular monthly social and business meeting in the G. A. R. hall on South Glendale avenue. The program of the day consisted of a "get together" this morning, basket luncheon at noon and the regular business session this afternoon.

BERT P. WOODARD UNANIMOUSLY CHOSEN FOR CITY ATTORNEY AT COUNCIL'S MEETING LAST NIGHT

Takes Position On October 1 Which Is Made
Vacant By Resignation Of Hartley Shaw;
Resident Of Glendale Since 1912

BERT P. WOODARD, resident of Glendale since 1912, was last night at the meeting of the City Council selected as city attorney to fill the vacancy caused by the resignation of Hartley Shaw. The

motion appointing Attorney Woodard unanimously prevailed. The resignation of Attorney Shaw was presented to the City Council at a special meeting held Monday night, September 19. It was accepted, Councilman Dwight W. Stephenson and Mayor Spencer Robinson voting no. Last night, without any discussion in open meeting, Councilman C. E. Kimlin moved that Attorney Woodard receive the appointment, effective on October 1. The motion was seconded by Councilman A. H. Lapham. A roll call took place immediately and all members of the council voted in favor of the appointment. Under the provisions of the charter, applications for the position of city attorney were called for some weeks ago and the members of the council have been considering the qualifications of the various applicants. Discussion took place in a number of meetings of the committee of the whole and, it is presumed, the unanimous decision to appoint Attorney Woodard was arrived at last night, just before the council met in regular session. Friends of Attorney Woodard believe the council made a wise selection, for they point out that he has had extensive experience in municipal affairs, was chairman of the board of freeholders which drew up the present city charter, and is prominently known among attorneys.

Born in Fayetteville, Tenn., Mr. Woodard graduated from the Cumberland university, law course, in June, 1901.

He returned to Fayetteville and engaged in the practice of law with his father, Andrew B. Woodard, who was one of the most noted jurists in the south. He received an excellent schooling and for about a year was under the direct training in law of his father.

Then he moved to Nashville, Tenn., and practiced law there. He served

Membership Contest at Intermediate Is Won by A-8-2 Class

The semi-annual membership contest of the Intermediate School Athletic Association closed Wednesday. The A-8-2 class, of which Miss Clara Midcalf is the class teacher, won first honors, being the first class to report 100 per cent paid membership for the class itself. The B-7-2 class won second honors, having the largest per cent of non-student memberships paid. The awarding of second honors to a seventh grade is very unusual and shows the enthusiasm which the youngsters are going to throw into their school work.

The school is "teeming with excitement" over the coming election of officers for the school athletic association, petitions were circulated this week for the nomination of candidates and the election will take place next Wednesday. A. T. Blankford, athletic director of the school, predicts an unusually brilliant showing from the seventh and eighth grades during the coming season. They will compete with Burbank, Eagle Rock, Cerritos Avenue School and the High School freshman class in soccer and volley-ball this fall.

MRS. MAC MULLIN HOSTESS

Mrs. Smith MacMullin of 412 West Wilson avenue entertained with a dinner and surprise party last night in celebration of the birthday anniversary of her husband. A delicious six-course dinner was served. Decorations were all carried out in the Elks' colors of purple and white, including the bon bon boxes and the bouquet of purple and white asters which centered the table. Place cards were decorated with small individual elks' heads.

Covers were laid for Harry Glazier, Seymour Smith, Harold Phillips, Jesse Smith, Will Walsh, George Hastings, Roy Clayton, Gordon Clayton, I. S. Brown, J. T. Beach, Vincent Salmacia and Smith MacMullin. Mrs. Vincent Salmacia assisted Mrs. MacMullin in serving.

Dale Wood Elected President of Local Hi-Y Association

The first general meeting and banquet of the Hi-Y societies was held last night in the banquet room of the First Methodist church, at which time the following officers were elected for the first half of the coming year: Dale Wood, president; Aron McCormick, vice president; Paul Edmonds, secretary-treasurer.

A proposed program of activities for the coming year, dividing the work by months, was read by Paul Edmonds and adopted.

Assistant Coach Butterfield of the high school was introduced and spoke on how the boys could help in the matter of school spirit. W. A. Horn spoke along similar lines and told a number of interesting experiences he had had in his work with boys. Dr. C. M. Crist closed the talks by emphasizing the importance of the power that the Hi-Y clubs have if used in the right direction.

Singing, led by Harry Marple, and games occupied the remainder of the evening. There were just fifty boys present at the banquet, which was served by the members of the Philatheia class.

Merit Badges Will Be Issued by Boy Scouts

An unusually interesting meeting is promised Troop 3, Boy Scouts of America, tonight when former acting scout executive, H. Benjamin Robinson, will be present to issue a number of merit badges earned during the summer by the first class scouts of the troop. These badges have just been received from the New York headquarters and will be distributed with appropriate ceremonies.

A full attendance of all members of the troop is expected so that plans for reorganizing the patrols may be announced and the active work for the winter be started under way. The troop now has twenty-four members, making three full patrols. Scoutmaster Ayars states it is his ambition to make this troop the best trained unit in the country, and his boys are eager to show their ability to advance to the highest rank in scouting.

WOMEN HERE START ORGANIZATION OF WAR MOTHERS

Mrs. Dellan Dick Is Hostess to
First Members; Plans of
Association Told

With fifteen paid-up members at its first meeting, the Glendale chapter of the American War Mothers' association was organized yesterday afternoon with an enthusiastic spirit on the part of the mothers of local World War soldiers that promises to place the Glendale organization among the foremost in Southern California in the near future. The gathering took place at the home of Mrs. Dellan Dick of 309 North Louise street, and was attended by Mrs. Martha Hopkins, Mrs. Jane Horrell, Mrs. J. B. Sherwood and Mrs. Emma Hunt, who are all members of the Los Angeles chapter.

Before the actual work of organizing the chapter took place the women were given a brief talk by Mrs. Hopkins, who is the Los Angeles county mother, which office corresponds to that of president. She gave a resume of the history of the society throughout the United States, a general outline and description of the activities and also several excerpts from the bylaws and constitution.

Following is a list of the four principal objects of the organization, as pointed out in the bylaws:

First—To commemorate the deeds and valor of our soldiers, sailors and marines and our beloved dead.

Second—To collect records to perpetuate their memory.

Third—To aid and sustain those mothers who have suffered anxiety and loss; that they may feel the universal, sympathetic heart of motherhood.

Fourth—To uphold the principles of justice, freedom and democracy, and to promote peace on earth, good will to all men.

The American War Mothers' society was established as a national organization two years ago at a big mass meeting at Indianapolis, which city is now the national headquarters. Since that time separate chapters have been organized in all parts of the country, and the membership is reported to be growing at a rapid rate. The War Mothers are not an auxiliary to the American legion, but constitute an independent organization which is unique in the fact that none save the mother of a son or daughter who saw service during the late World War are eligible to membership. Another section from their bylaws is as follows:

"We are for the legion and their (Continued on Page 15)

Glendale Creamery's Plant Will Receive Additional Building

A first-class creamery building 35 by 185 feet and two stories in height is being added to the Glendale Creamery company's plant at 755 West Doran street, of which Smith MacMullin is owner. This building will be completed in about a month, at which time a public opening will be held.

With this new building, which will embody all the latest improvements and equipment and sanitary conditions, this creamery will be the largest and best in Los Angeles county, outside of Los Angeles city, it is stated.

One of the features which will be incorporated in the improvements will be that of sun lighting, made possible by the large number of windows which will be placed in the new building.

Local Women Praised for Work Behalf of Fair

Mrs. Ella W. Richardson, general chairman of the Glendale committees at the San Fernando Valley Fair, states that the fair is proving to be a wonderful success in every way, and that with the closing Sunday night it is believed that all financial obligations will be met. She further states that the Glendale women serving on the various committees and at the Tuesday Afternoon club booth are doing splendid work as advertisers of this city by their manner of welcoming strangers, who are attending the fair in large numbers.

Mrs. A. H. Montgomery and her committee at the Tuesday Afternoon club booth are also having splendid success, the only difficulty being in securing adequate supplies of home-made cakes, pies and sandwiches to supply the large demand for these unexcelled products of the housewives of Glendale. An especially heavy demand is expected for Saturday night and Sunday, which will further swell the Tuesday Afternoon clubhouse building fund for which purpose the proceeds from the booth are to be used.

West Wilson avenue. She came to
Glendale to take a few treatments
at the Glendale Sanitarium.

Dudley Pigg of 405 North Mary-
land, who is connected with the
public service department of the city,
has returned to his duties after en-
joying a pleasant vacation of ten
days' duration.

George U. Moyle, principal of the
high school, will attend the superin-
tendents' convention at Coronado
next week. Mrs. Moyle expects to
be present at next Friday's sessions.

Mrs. Stella Goodman of 645 North
Central avenue, has purchased a
beautiful building site on Verdugo
road, near Montrose, where she ex-
pects to erect her future home. The
site was formerly owned by Albert
Collins of Montrose.

Mrs. Ida Davis of Perris is spend-
ing several days visiting at the home
of Rev. and Mrs. C. R. Norton of 801
East Wilson avenue. Mrs. Davis is
a former resident of Cucamonga,
where she lived at the time when
Rev. Norton was the pastor of the
First Methodist church of that city.

Mrs. William Van Osdoll of 341 West
Elk avenue, arrived in Glendale this
morning from Exeter, Calif., and will
remain here for several days, while
attending the reunion of the Ninety-
first division, which is being held in
Los Angeles. Bert Van Osdoll was
in the battle of the Argonne during
the World War and has seen other
active service.

Mr. and Mrs. E. Z. Barnett of 704
East Windsor road are in receipt of
word that their daughter, Miss Zoa
Barnett will sing the leading part in
"May Blossoms," a charming light
opera with scenes and costuming of
the Seventeenth century period that
will open an engagement at the Am-
bassador theatre in New York on
September 29. Miss Barnett is a bril-
liant coloratura soprano, who has
had phenomenal success in her pro-
fession as light opera singer.

Bert Van Osdoll who is now lo-
cated at Exeter, Calif., is expected to
arrive Friday to attend the reunion
of the Ninety-first division and will
spend a few days with his father and

Osdoll of 341 West Elk avenue.
Young Van Osdoll's company, the
Three Hundred Sixty-fourth Infantry,
took part in the battle of Argonne,
and was stationed on the firing line
at different times. He was twice
wounded while in France, once quite
severely.

Starting Out

Joyously

For business each morning from
one's own home is a mighty more
satisfactory proposition than going
to work from a hired house or
apartment. There's no need for the
latter condition, the former is within
your power to attain. Want us to
tell you how? Then drop in here or
phone us to call on you.

La Crescenta Notes

Dr. and Mrs. Lawrence Ward and
their daughter, Mrs. Lawrence Reed,
of Eagle Rock, were dinner guests
of Mr. and Mrs. Seymour Thomas
last Sunday. Dr. and Mrs. Ward
were residents of La Crescenta many
years ago. Mr. and Mrs. Thomas
also entertained a charming group
of friends at tea Monday afternoon,
among them Mrs. Richard Cavhart of
Oklahoma, Mr. and Mrs. Douglas
Crane and Miss Carla Schram of Los
Angeles.

Mr. and Mrs. Glen Peck and fam-
ily returned from Ocean Park where
they spent the summer. Mr. Julius
J. Weyse, Mrs. Peck's brother, from
San Louis Obispo is visiting them at
present.

Members of the La Crescenta
Women's club in the vicinity of Los
Angeles and Mayfield avenues are
entertaining their club members and
friends at a bridge tea Thursday af-
ternoon, September 29, at the home
of Mrs. E. M. Nettleton. The host-
esses will include Mesdames J. S.
Conlin, L. A. Potter, H. Carpenter,
H. Bastable, A. W. Brown, C. Bow-
den, T. Bonnetto, R. Wildhack, T.
Burke, E. N. Nettleton and Miss
Delicia Bastable. The proceeds will
go to the building fund of the club.

Mrs. E. Turner returned last Fri-
day from a six weeks' visit to San
Francisco.

Mrs. Henry Scherb, who has been
in Nogales, Ariz., for the past two
years is visiting friends here.

Miss Lena Krug has her nephew,
Fred Wiederman of Omaha as her
guest.

Mrs. E. N. Guthrie of Long Beach
spent the week-end with Mr. and
Mrs. J. S. Erwin of Michigan avenue.

F. T. Prichard of Michigan ave-
nue returned from the east last Sat-
urday. Mr. Prichard has been away
three months and spent much of the
time in his old home town, Wood-
hall, Ill.

Mr. and Mrs. T. S. Minford were
dinner guests of Mr. and Mrs. T. R.
Coffin of Pasadena last Friday.

Mr. and Mrs. H. D. Johnson of
Michigan avenue entertained a group
of friends at dinner last Sunday in
honor of their son and daughter-in-
law, Mr. and Mrs. T. W. Johnson,
who were married last Thursday.
Mrs. Johnson was Miss Blanch Burkitt
of Tujunga.

Mrs. Mary Thompson and Mrs. E.
Potts returned from Catalina, where
they spent the past two weeks.

Mrs. E. Sutherland of Oakdale
avenue was painfully injured when
the automobile in which she was
riding with her husband collided
with a machine driven by W. E. Bate
of 1027 Worcester place, Los An-
geles. The accident occurred on
Michigan and Ocean View avenues.

Mrs. J. S. Conlin of Mayfield ave-
nue was hostess to the Tuesday
Bridge club this week. Mrs. Har-
riette Bastable and Donald Dewey
received the highest scores of the
club members.

Hold First Meeting of Columbus P.-T. A.

The first regular meeting of the
year of the Columbus avenue Parent-
Teacher Association was held yester-
day afternoon at the school building,
Mrs. C. H. Thompson presiding.
Prior to the business meeting tea and
waifers were served.
Mrs. John Robert White, president
of the Glendale Federation of Parent-
Teacher Associations, gave the open-
ing address of welcome for the year
and spoke on co-operation of all the
schools, and also announced the con-
gress of mothers which will be held
in Los Angeles October 6.

Mrs. C. H. Pendleton delighted the
members with several piano selec-
tions, after which Richardson D.
White spoke of the bond election and
also of the general welfare of the
schools for the coming year.

The members of the association de-
cided that instead of giving the cus-
tomary moving picture benefit per-
formance, for the purpose of securing
funds for the treasury, that a card
party would be given the evening of
October 31 at the home of Mrs. John
Robert White.

Announcement was made of the
teachers' reception to be held by the
federation for all the teachers Octo-
ber 10 in the girls' gymnasium at the
high school.

The next meeting of the associa-
tion will be held the third Thursday
in October. At that time a round
table will be conducted where mat-
ters of interest to the school will be
discussed.

Minnesota Picnic and Reunion September 24

The final call for the Minnesota
picnic reunion is made and all the
Gophers are urged to attend at Syc-
amore Grove park, Saturday, Septem-
ber 24. It will last all day with en-
rollment and visiting from morning
till night. There will be hot coffee
and souvenir badges. After the bas-
ket picnic dinners at noon there will
be a popular program with song and
oratory. All Minnesotans will be
welcomed. As Minnesota has had
the largest picnic of any state but
Iowa both last year and this a big
attendance is assured.

fices of Flint, Gray & Bandon in Los
Angeles, then accepted an offer to
handle law work for the Title Insur-
ance & Trust company of Los An-
geles.

He left that work to become as-
sistant attorney for the Los Angeles
Wholesalers' Board of Trade, the
general counsel being W. T. Craig,
one of the best known attorneys in
the southland.

Mr. Woodard handled a great deal
of work for the wholesalers and so
became known to the most prominent
business interests of the city.

He remained associated with At-
torney Craig until January 1, 1920,
then opened his own office in the
Haas building in Los Angeles, where
he is still located. He has a large
practice and is one of the best known
attorneys in Los Angeles county.

It was in 1912 that Mr. Woodard
became a resident of Glendale. The
family home is at 214 North Mary-
land. Mr. Woodard has a wife and a
daughter, the latter being Virginia,
aged 10.

Mr. Woodard has always taken an
active interest in the progress of
Glendale. He was exalted ruler of
the local lodge of Elks during 1918-
19, the first after the Elks' new home
was completed.

He was elected one of the fifteen
freeholders to prepare the charter
under which the city is now operat-
ing and was chosen president of the
board of freeholders. His knowl-
edge of municipal affairs enabled
him to take a prominent part in the
drafting of the new city charter and
during the many weeks it took to
prepare the document he studied
forms of government of many cities
throughout the state.

When Mr. Woodard filed his ap-
plication with the City Council for
the position of city attorney, accom-
panying it was a letter from At-
torney Craig, a copy of which follows:

"July 13, 1921.
"To the Mayor and City Council of
the City of Glendale, California:
"Gentlemen:—It has come to my
attention that under the new city
charter of your city you will, in the
near future, appoint a city attorney
for the city of Glendale, and that
I, Bert P. Woodard, a resident of your
city, has been mentioned for this po-
sition. I have known Mr. Woodard
for nearly ten years. During five
years of that time he was associated
with me. As the attorney for the
Los Angeles Wholesalers' Board of
Trade, for the Los Angeles Credit
Men's Association and other inter-
ests, my office during that time was
an extremely busy law office and Mr.
Woodard was one of the busiest law-
yers connected with it. I think,
therefore, that I am able to judge
his capacity.

"Mr. Woodard is one of the squar-
est, most loyal, most conscientious
and agreeable men with whom I have
ever come in contact. Mr. Woodard
is an able lawyer, perfectly capable of
handling any of the legal affairs of
your city. In fact, he possesses
every qualification to make an ideal
city attorney.

"In considering the appointment
of a city attorney for your city I hope
that you will give due and careful
consideration to the qualifications of
Mr. Woodard for this position.

"Respectfully yours,
"W. T. CRAIG."

Locals and Personals

Mrs. Jane Horrell, who has re-
cently moved from Los Angeles to
Tujunga, spent the past few days
in Glendale as the guest of her sis-
ter, Mrs. Samuel Dick of 309 North
Louise street.

Mrs. Jennie R. Olds is busy get-
ting settled in her new home at 312
West Windsor Road. She moved to
California from Olean, New York,
last June and anticipates a deligh-
tful sojourn in California.

R. Roman, who has had trouble
getting help to assist him in the con-
struction of his new home at 212
West Acacia avenue, has been obliged
to do most of the work himself. He
is putting up a four-room frame
bungalow and living meanwhile in
another house nearby.

The middle of November, Law-
rence Wilson is expected back from
New York and will take immediate
possession of a new home at 340
West Acacia avenue which is now un-
der construction. It contains about
seven rooms. Mrs. Wilson is now re-
siding in southern Glendale.

GENERAL STRIKE IS THREAT

TAFT, Cal., Sept. 23.—Today will
decide whether or not the oil indus-
try of Southern California will be
tied up by a general strike. Follow-
ing a referendum vote by oil work-
ers authorizing union officials to is-
sue the general strike order if they
see fit, a special meeting of the dis-
trict council has been called at
Bakersfield to make definite de-
cision.

MINUTES OF CITY COUNCIL

Following are the minutes of the City Council, in session last night, as prepared by City Clerk J. C. Sherer:

The council assembled at 8:20 p. m. all members present. Minutes of the special meeting of September 14 of the regular meeting of September 15, special meeting of September 19 and special meeting of September 20 were all read and a correction ordered to be made on page 315 adding to motion by Councilman Stephenson, the following: "That the mayor appoint a committee of two to investigate the sewer system at Folsom, expenses to be borne by the city."

Appointment of City Attorney
Councilman Kimlin made a motion which was seconded and adopted on roll call, all voting aye, that Bert C. Woodward be appointed city attorney.

Closing Alley
Owen Emery appeared before the council in regard to application of A. Ambrosini, made at a previous meeting, for the closing of an alley between Broadway and Wilson, Glendale and Everett. Henry Johnson also appeared in reference to the matter expressing his objections and recommendations in regard to the same. Motion of Councilman Stephenson was adopted, on roll call, all voting aye that the city attorney and city engineer prepare proceedings for the vacation of this alley.

Complaint Against Lumber Yard
The city engineer presented a report in regard to extension of the plant of the Fox-Woodman Lumber company, the same having been referred to him by the city manager. In this communication it was stated that the ordinance prohibiting the extension of existing plants of this character was adopted February 19, 1920, while the lease to that portion of the lumber company's property north of California street was dated September 10, 1920. On motion of Councilman Stephenson, all voting aye, the entire matter was referred to the chief of police to see that the provisions of the ordinance are enforced and report back to the council at its next regular meeting.

Application for Laundry Permit
In regard to application of H. J. Rich for permission to establish a laundry at a point on the Verdugo wash near Pacific and Arden avenues, the city manager recommended that permit be granted. In this connection protest was filed by Charles H. McIntosh and fifty-five other property owners and residents in the vicinity of the proposed laundry protesting against the establishment of said laundry at that location. Mr. Newby appeared as spokesman of the protestants and the matter was discussed at considerable length. On a motion made by Councilman Stephenson, seconded by Councilman Lapham, that permit be denied, roll call resulted as follows: Ayes, Lapham, Stephenson, Noes, Davis, Kimlin, Robinson. Motion of Councilman Kimlin was adopted that the matter be laid over for one week, all voting aye.

Communication From Fire Chief
A communication was read from A. H. Lankford thanking the council for his appointment as fire chief of the city of Glendale, and the same was ordered to be filed.

Water Pipe and Fittings
At this time bids were ordered to be opened in accordance with advertisement calling for the same to supply the city with water pipe and fittings as follows: San Francisco Steel Products company, American Cast Iron Pipe company, United States Cast Iron Pipe and Foundry company, R. D. Wood & Co., Pacific Pipe & Supply company, Keystone Iron and Steel Works, Adams Pipe Works, Victory Engineering and Sales company. The same being opened and publicly declared, all were referred to the superintendent of plant and production.

Application of J. E. Walker
J. E. Walker presented application to the council requesting division of bonds for the improvement of Arden avenue against lots 44 and 45 of Oliver's West Glendale tract. Referred to the city attorney.

From Chamber of Commerce
A communication was received from the Chamber of Commerce accompanied by a copy of resolution adopted by the board of directors of that body supporting the City Council in its efforts to prevent the extension of streets in new subdivisions, which do not connect with existing streets adjoining. Ordered to be filed.

Water Service Wanted
A communication was read from Peerless Home Building & Investment Co. asking to be advised as to what steps should be taken to obtain water service for homes now being built on East Maple street between Cedar and Adams streets. Referred to the city manager.

From City of Long Beach
A communication was read from the city of Long Beach requesting that efforts of this city to aid in bringing the convention of California League of Municipalities for 1923 to the city of Long Beach. Referred to the city manager for reply.

Complaint is Received
A communication was read from Coker & Taylor, plumbers, calling attention to building located at the corner of Wilson and Isabella streets in which the writers complain that the plumbing work installed is contrary to the regulations contained in ordinance No. 393. Referred to the city manager.

Regards Patterson Avenue
A communication was read from Mattison B. Jones expressing desire on the part of the committee through whose efforts proceedings were originally started for the opening of Patterson avenue; that proceedings be begun anew in order that this improvement may be carried through as rapidly as possible. Referred to the committee of the whole.

Application for Permit
Application was presented from Higel & Grett, approved by the building superintendent for permission to install and maintain a automobile body and fender repair shop at 137 1/2 South Brand boulevard. The application was referred back to the building superintendent for a report as to present conditions particularly as to whether the business is already established or is a new industry. A petition was presented signed by,

Ella I. Bradley and other residents and property owners on Oak street, requesting that the council take action to have property holders in the block on Oak street west of Pacific avenue put down pavement and walks where there are none at present. Referred to the city engineer.

Easement From Pacific Electric
An easement was presented from the Pacific Electric railway to the council in duplicate covering lease 4153, an underground crossing under and across that company's right of way at the engineer's station No. 215.

On motion of Councilman Stephenson it was ordered that the same be accepted and the mayor and city clerk be instructed to sign same on behalf of the city. All voting aye.

Auditor's Report
The city clerk reported and presented to the council a report of Loomis Dow & Co. of audit of the city's books for the year ending June 30, 1921. On motion the same was ordered to be filed and referred to the committee of the whole.

San Fernando and Brand
The city manager presented a map showing the proposed improvement at San Fernando road and Brand boulevard with a recommendation that the sum of \$500 be appropriated. Motion of Councilman Stephenson was adopted, all voting aye, that communication be referred back to the city manager with instructions to request the S. P. railway company to delay their work in connection with this improvement for from thirty to sixty days.

Changes in Council Chamber
Communication was presented from city controller stating that no allowance had been made in this year's budget for alterations and repairs to the city hall building; further stating that if work is done it will be necessary to have it paid for from the unappropriated reserve account. In this connection Judge F. H. Lowe addressed the Council expressing his idea in regard to the matter, in favor of addition to the western end of the present city hall building, and expressing the opinion that the people would support this proposition by necessary bond issue, when the necessity for it was explained.

Maps Approved
A map of tract 4430 approved by the city engineer was presented and on motion of Councilman Stephenson was adopted by Resolution 1237, by the following roll call: Ayes: Davis, Kimlin, Lapham, Robinson, Stephenson, Noes: None. Map of tract 4396 was presented to the Council, approved by the city engineer and was on motion of Councilman Kimlin adopted by Resolution No. 1238 by roll.

Report on Bids
The Supt. of Plant and Production to whom had been referred the bids opened at this meeting reported that the lowest bid received is that of the U. S. Steel Products company, of San Francisco, recommending its acceptance, as to water pipe. He further recommended that all bids for fittings be rejected. Motion of Councilman Lapham was adopted that recommendation of the Supt. of Plant and Production be approved and bid for water pipe be accepted in accordance with the same and that all bids for fittings be rejected. Ayes: Kimlin, Lapham, Robinson, Stephenson, Noes: None. Davis, temporarily absent.

Improvement District No. 4
The Supt. of Plant and Production presented a communication to the Council accompanied by map recommending that certain changes as outlined on the map be made in the plan for water system in Improvement District No. 4, the principal one being the substitution of Mathison joint pipe for riveted steel pipe, the cost of the former being a little less than that of the last mentioned. On motion of Councilman Stephenson, it was ordered that changes recommended and shown upon the map be approved and adopted according to recommendation, all voting aye. Davis temporarily absent.

Bids To Be Advertised
In accordance with recommendation of the Supt. of Plant and Production the city clerk was instructed to advertise for bids to be opened at 7:30 p. m. October 6, 1921, as follows: (1) For installation of water mains in Municipal Improvement District No. 4; (2) one car load of 8-inch 44 ft. poles; (3) one automatic induction regulator.

Library Board Appointed
On motion of Councilman Kimlin, the following members were appointed, all voting aye; Councilman Davis temporarily absent. Four years—O. Spencer, T. W. Preston, William G. Goss; two years, Mrs. Temple, Mrs. Charles Barker.

Permit Granted
Application of O. S. Palmer for permission to install and maintain a gas filling station at 1010 East Colorado street, approved by the building superintendent, was on motion of Councilman Lapham, granted, all voting aye.

Easements Accepted
Easements for sewer purposes were presented to the council from: Citizens Building company, Frederick V. Walker and wife, Horace W. Walker and wife, Edward N. Lynch and wife, Harry B. Lynch and wife, Stephen C. Facker and wife. All being approved by the city attorney, were ordered accepted.

Deed From Kent & Co.
An easement given by Louise T. Goodnow and Roy L. Kent for sewer purposes was on motion of Councilman Kimlin accepted and the city clerk instructed to have all of these easements recorded. The mayor and city clerk were instructed to sign the same when necessary in behalf of the city.

Sewer Specifications Approved
The city engineer presented a map showing the assessment district for the construction of the sewer system in the business district and on motion of Councilman Kimlin it was ordered that the same be approved as plan (Continued on Page 13).

MATERNAL DEVOTION THEME OF FILM, PALACE GRAND

Melodramatic Plot Is Moving
Factor of Picture Now
Shown for Feature

With maternal devotion as the theme, and a cleverly involved melodramatic plot as its moving factor, Thomas H. Ince has woven with characteristic skill in his latest production for the Associated Producers, "Mother o' Mine," which is now showing at the Palace Grand theatre, a motion picture fabric that should stand the wear and tear of the most exacting and critical screen audiences.

Woven also into the drama, and adding materially to its excellence and strength, are five strikingly contrasted characterizations, intelligently interpreted by an all-star cast—Lloyd Hughes, Joseph Kilgour, Betty Blythe, Betty Ross Clark and Claire McDowell.

It is difficult to say which is the dominating feature of the story—the unusual manner in which the universally appealing theme of motherly sacrifice has been treated, or the plot itself. The former swings through to a logical conclusion without creating the impression that it has been forced down the spectator's throat, and is poignant and sure in appeal. The plot is involved, heavy with suspense, and rich in dramatic situations and swift action.

"Miracles of the Jungle" provides an interesting diversion from the feature. The Paramount Magazine completes the unusually good bill.

Ordinance No. 481

AN ORDINANCE AMENDING SECTIONS 1, 2, 4, 10 AND 11 OF ORDINANCE NO. 368 PASSED JANUARY 29, 1920, AND ENTITLED "AN ORDINANCE REGULATING STREET WORK BY PRIVATE CONTRACT WITHIN THE CITY OF GLENDALE, FIXING A PENALTY FOR THE VIOLATION THEREOF, AND REPEALING ORDINANCES NO. 38 AND 82 AND ANY OTHER ORDINANCES IN CONFLICT THEREWITH."

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF GLENDALE:

Section 1. Section 1 of Ordinance No. 368 of the City of Glendale, passed January 29, 1920, and entitled: "An Ordinance Regulating Street Work by Private Contract Within the City of Glendale, Fixing a Penalty for the Violation Thereof, and Repealing Ordinances No. 38 and 82 and Any Other Ordinances in Conflict Therewith," is hereby amended to read as follows:

"Section 1. It shall be unlawful for any person, firm or corporation to construct any side walk, curb, gutter or cross walk, or to do any grading, macadamizing, paving or other street work in or on any public street, alley or public place within the City of Glendale, or to commence any of said work without first obtaining a permit so to do from the Street Superintendent of the City of Glendale under the provisions of this Ordinance; provided, however, that nothing herein contained shall apply to street work done under a contract let therefor by the Council of the City of Glendale, or to excavation or other work done under the provisions of Ordinance No. 366 of the City of Glendale passed the 18th day of December, 1919, and entitled: "An Ordinance of the City of Glendale regulating the removal of Curbs, Sidewalks and gutters for the purpose of constructing entrances to driveways and other purposes."

"Any person, firm or corporation desiring to obtain such permit shall make written application therefor to the Street Superintendent on a printed form to be supplied by said Street Superintendent, and shall state therein the place where the improvement is to be made or work done, the nature and extent of such work or improvement, the time within which the same shall be commenced and when the same shall be completed, and that said permit is asked for and said work or improvement therein described will be done subject to the terms and provisions of this ordinance. No permit granted hereunder by the Street Superintendent shall become effective until it has been presented to and approved by the City Manager.

All such work, upon permission being granted therefor, must in all cases be done under the direction and to the satisfaction of the Street Superintendent within the time specified in the application and in accordance with the City's specifications for work of that class, and on lines and grades to be given by the City Engineer.

If the work does not, in the judgment of the Street Superintendent comply with the specifications therefor and with the terms of this Ordinance, the Street Superintendent shall notify the person to whom the permit was granted of the defect or failure of performance of said work, and shall require such person within five days of the service of such notice to proceed to remedy such defect. Such notice shall be written or printed and shall be served personally or by leaving it at the residence or place of business of such person, or if such person cannot be found, and such place of business or place of residence is unknown or outside of the City, said notice may be served by depositing it in the Post Office, post-

age prepaid, addressed to the person holding such permit at such place of business or residence, if known, or if unknown, in the City of Glendale. If such notice is not complied with the Street Superintendent shall not grant any permit to such person to do street work by private contract within the City of Glendale until he has made full compliance with the terms of said notice. If such failure or defect in performance relates to the construction of cement walk or cement curb, the Street Superintendent may order the same taken up and removed from the street at the expense of the holder of such permit, which expense all applicants by making application hereunder hereby agree to pay."

Section 2. Section 2 of said Ordinance No. 368 is hereby amended to read as follows:

"Section 2. Every applicant at the time of filing his application shall deposit with the duty of the Street Superintendent fifty cents for each application, and an amount sufficient to cover the cost of engineering and inspection, which amount shall be fixed by the Street Superintendent. When a side walk and curb are to be constructed at the same time and place, only one charge for engineering work shall be made unless such sidewalk and curb are required by the person constructing same to be laid out independently by separate engineering work done at different times."

Section 3. Section 4 of said Ordinance No. 368 is hereby amended to read as follows:

"Section 4. Upon completion of the work to be done under any permit granted pursuant to this Ordinance, it shall be the duty of the Street Superintendent to make a final inspection thereof, and if same is found to be in accordance with the specifications for the same and in compliance with the terms of this Ordinance and on line and grade, he shall issue a final certificate in duplicate of acceptance thereof, one of which certificates shall be delivered to the holder of such permit, and the other placed on file in the office of the Street Superintendent."

Section 10. Section 10 of said Ordinance No. 368 is hereby amended to read as follows:

"Section 10. Every permit shall be applied for by or in behalf of the person, firm or corporation who is actually to perform the street work for which such permit is asked, and no permit issued under the terms of this Ordinance shall be transferable or assignable except by permit of the Street Superintendent first obtained. It shall be unlawful for any person, firm or corporation to do any street work under a permit granted to another person, firm or corporation unless such permit has been first properly transferred or assigned in accordance herewith to such person, firm or corporation doing such work."

Section 11. Section 11 of said Ordinance No. 368 is hereby amended to read as follows:

"Section 11. The Street Superintendent or City Manager or the Council of the City of Glendale, may in all cases attach such further conditions to the granting of any permit under the Ordinance as may in their judgment seem necessary to secure the proper performance of such street work or to protect the public interests in connection therewith, and may determine whether the class of work which the applicant desires to perform is such as should be installed at the place proposed. The City of Glendale, through its respective officers, expressly reserves the right and privilege to refuse to grant a permit applied for hereunder whenever in the judgment of said officers it is for the best interests of the public so to do. Any person feeling aggrieved by any action of the Street Superintendent or City Manager in granting or refusing a permit, or taking any other action under the terms of this Ordinance, may within ten days thereafter appeal to the Council therefor. The Council shall thereupon hold a hearing of the matter and its decisions shall be conclusive."

Section 6. This Ordinance shall take effect and be in force upon the thirtieth day after its final passage. The City Clerk shall certify to the passage of this Ordinance and cause the same to be published once in the Glendale Sentinel-Progress, a weekly newspaper published and circulated in the City of Glendale.

Passed by the Council of the City of Glendale, this 15th day of September, 1921.

Juvenile Shoes
that are stronger
than Dad's.

We have come to the conclusion that it is false economy for our customers to buy cheaply
priced shoes for the child. "Little Pals" cost a few cents more, but that is because they
are made of the finest leather—the kind that will positively outwear two ordinary pairs.
Altho built as strongly as a man's shoe, they still retain the pliability necessary and are
shaped to the child's natural foot lines. They are
WINNERS!

RETURN SHOWING OF
'OVER THE HILL'
GIVEN TONIGHT

Story Based on Noted Poems
Will Again Be Presented
on Glendale's Screen

"Over the Hill," the William Fox
film presentation of the famous Will
Carleton poem, not only met with
universal favor at its first showing
on Broadway in New York City last
September, but was pronounced by
many Gotham critics as one of the
most wonderful and beautiful pic-
tures that have graced the screen.
Their verdict was endorsed by the
fact that it has been on Broadway
ever since.

The famous poem first appeared in
the '50's, and was at once accepted as
one of the most beautiful and touch-
ing contributions by the author of
"Farm Ballads." Critics, friends and
admirers besieged the Michigan hard
demanding to know the source of his
inspiration.

Carleton wrote verses for several
years before he turned his pen to
"Over the Hill." "I waited these few
years," he explained, "to be sure that
I was in the correct mood and until I
had satisfied myself that I could do
justice to the subject.

"Over the Hill" will be the attrac-
tion at the Glendale Theatre tonight
on a return engagement. Eileen
Sedgwick in "The Diamond Queen"
and other numbers complete the bill.

Restoring First Home
of U. S. Supreme Court

PHILADELPHIA—Workmen to-
day are carefully tearing away all
the "modern" work on the old Su-
preme Court building here, one of
the Independence Hall group of his-
torical structure, in order to get
down to the original ancient struc-
ture.

The old building was the home of
the first United States Supreme
Court from 1791 to 1800, and was
Philadelphia City Hall from 1791
to 1854. When the original
structure is reached through the
modern "improvement" work done
on the building, it will be recon-
structed in its original form. This
work will cost \$55,000.

Several interesting points in the
construction of the old structure al-
ready have been brought to light by
the workmen—old-fashioned stair-
ways, doors and passages which were
torn away or filled in when the build-
ing was "improved," and dark, damp
dungeons in the cellar of the build-
ing, where the city's prisoners were
kept in the days before the Civil
War. Another interesting feature is
the way the second floor is actually
suspended from the roof. Instead of
rafters, huge beams, with heavy iron
hooks looping over the roof supports,
held up the floor.

MANY UNABLE TO WRITE

WASHINGTON, D. C.—According
to the census of 1920 there are 95,
592 illiterate persons ten years of
age and over in the state of Califor-
nia, "illiterate" meaning unable to
write. Of this number 5,359 are
native whites of native parentage;
3,388 are of foreign or mixed parent-
age; 69,768 are of foreign birth;
4,650 are Indians; 4,471 Chinese and
5,500 Japanese. The number of il-
literate Negroes is 1,579. In the
total population ten years of age and
over the percentage of illiteracy is
3.3, which, it is gratifying to note,
shows a diminution since 1910,
when it was 3.7. In the case of the
Negroes the percentage declined
from 7.1 to 4.7, and in the case of
the native white of native parentage
from 0.5 to 0.4.

There is more illiteracy in the
rural districts of the state than in
the cities, the percentage being 5.4
for the rural population and 2.4 for
the urban. By counties the percent-
age of illiteracy ranges from 28.3 in
Alpine county to 1.4 in Tehama
county.

ILLITERACY IN LOS ANGELES

WASHINGTON, D. C.—The cen-
sus bureau reports that in the popu-
lation of Los Angeles, Calif., as enu-
merated in January, 1920, there
were 10,203 persons ten years of age
and over who were illiterate in the
sense of being unable to write, in-
cluding 807 native whites, 7,887
foreign-born whites and 575 Negroes.
The percentage of illiteracy in the
total population ten years of age and
over is 2.0 which shows a slight in-
crease since 1910 when it was 1.9.
For the native white the percentage
is 0.2, for the foreign-born white,
7.3, and for the Negro 4.3.

That the younger generation in
this city is less illiterate than the
older, is indicated by the fact that
while 2.1 per cent of the males and
2.5 per cent of the females 21 years
of age and over are illiterate, the
percentage of illiteracy in the popu-
lation 16 to 20 years of age is but
1.0.

A dense, white smoke screen, more
impenetrable to vision than any
known, has been invented and dem-
onstrated at Camp Meade. The se-
cret of the new invention is being
guarded closely by chemists and
army officers directing its use.

THREE MEN ARE MURDERED

ST. LOUIS, Mo., Sept. 23.—Three
men were found brutally murdered
and robbed in southern Illinois. Mis-
souri Pacific freight crews found one
body in a lumber car at Dupo, an-
other at Wolfe lake and the third at
Halsey. Skulls of two of the men
were crushed. A piece of blood-
stained lumber was found near one
of the bodies. The other had been
shot through the heart. Two of the
victims wore army uniforms. None
have been identified.

Ordinance No. 483

AN ORDINANCE AMENDING SEC-
TIONS 4 AND 14 OF ORDINANCE
NO. 411, PASSED NOVEMBER 12,
1920, AND ENTITLED, "AN OR-
DINANCE REGULATING THE
CONSTRUCTION AND MAINTENANCE
OF PUBLIC AND PRIVATE AUTO-
MOBILE FILLING STATIONS, GASOLINE
CURB PUMPS AND PORTABLE
OR BUGGY, AND REPEALING
ORDINANCE 377."

BE IT ORDAINED BY THE
COUNCIL OF THE CITY OF GLEN-
DALE:—

Section 1. Section 4 of Ordinance
No. 411 of the City of Glendale
passed November 12, 1920, and en-
titled, "An Ordinance Regulating the
Construction and Maintenance of
Public and Private Automobile Gar-
ages, Automobile Filling Stations,
Gasoline Curb Pumps and Portable
Filling Tank or Buggy, and Repeal-
ing Ordinance 377," is hereby
amended to read as follows:

Section 4. No permit shall be
granted after this amendment be-
comes effective for the establishment,
conducting, maintenance or use of
any curb pump. No permit shall be
granted for the establishment, con-
ducting, maintenance or use of any pub-
lic or private garage or automobile
filling station that does not comply
in all respects with the requirements
of this ordinance. Before any per-
mit shall be issued for the construc-
tion of an automobile filling station
an investigation shall be made as to
the advisability of such construction
by the City Manager or Superinten-
dent of Buildings and the Fire Chief,
and if in the judgment of a majority
of said officials the proposed location
is not a proper one for said automo-
bile filling station said permit shall
not be granted. Any person feeling
aggrieved by the decision of said of-
ficials in granting or denying such a
permit may appeal to the Council
therefrom within ten days after such
action, and thereupon the Council
shall hold a hearing on the matter
and decide whether or not such per-
mit should be granted and its dis-
cision shall be final and conclusive in
this matter.

Nothing in this ordinance con-
tained shall be deemed to repeal or
affect Ordinance No. 372, passed
February 19, 1920, and entitled, "An
Ordinance of the City of Glendale
Establishing Industrial Districts in
Said City and Regulating the Carry-
ing On of Certain Business in Said
City," or to dispense with any per-
mit required by said ordinance.

Section 2. Section 14 of said Or-
dinance No. 411 is hereby amended
to read as follows:

Section 14. Every storage tank
maintained in connection with a pub-
lic garage, automobile filling station
or curb pump shall be connected with
an automatic closing valve pump or
other device for the same purpose,
approved by the Superintendent of
Buildings. Any such pump or de-
vice may be located inside the build-
ing but not below the surface of the
first floor, and shall be located above
the top of the tank with which it is
connected. Every gasoline dis-
charge pipe maintained in connection
with a hydraulic or pressure storage
system shall be equipped with an
emergency shut-off valve located
above the floor level, in addition to
the shut-off valve maintained at the
outlet of the hose. Every gasoline
discharge pipe located above the
floor level maintained in connection
with a hydraulic or pressure storage
system shall be protected from me-
chanical injury for not less than four
(4) feet above the water-control
valve, and for not less than four (4)
feet above the floor level.

Section 3. This ordinance shall
take effect and be in force upon the
thirtieth day after its passage. The
City Clerk shall certify to the passage
of this ordinance and shall cause the
same to be published once in the
Glendale Sentinel-Progress, a weekly
newspaper of general circulation
published and circulated in the City
of Glendale.

Passed by the Council of the City
of Glendale this 15th day of Septem-
ber, 1921.

PLAN NO. 389

This pretentious colonial home is of unique design that ap-
peals to those desiring simplicity. Just enough detail is worked
into the exterior to make it most attractive. The ideal window
arrangement, simple entry and two side porches are features which
call for special mention. The white exterior, red exposed brick,
and green shutters make a very pleasing combination.

This plan was created for a wide lot and has every appear-
ance of being a much larger home than it really is.

HOMES EXTRAORDINARY

In that they represent the latest conservative modern building
ideas with every department of the construction carefully worked
out that the most convenient arrangement be had.

It is conceded by all that homes built from complete detailed
plans represent a substantial saving in construction cost, in addi-
tion to a better built home and one that reflects an exterior appear-
ance pleasing to look at with room arrangements to give maximum
convenience.

This and more is what our service represents, as the photo-
graphs show clearly just what the new home will look and be like,
and the plans show your contractor how to execute every depart-
ment of the work.

Enormous Prices Paid for Stamps at Paris Auction

PARIS.—The sum of 156,000 francs has been paid for a single postage stamp, a little square of blue paper from Hawaii with a large figure 2, dated 1851.

It was only one of the famous collection of the late Duke Ferrari de la Renotiere which yielded in one day's sale at the Hotel Drouot, the fabulous sum of 1,100,805 francs.

The Ferrari collection was conceded the finest in the world. The late Duke had inherited a large fortune from his father, an Italian financier, and is said to have spent 200,000 francs annually in buying stamps. Ferrari was of German birth, and his collection was confiscated by the French government at the outset of the war in 1914. It is now being auctioned off at intervals, the proceeds being placed to the credit of the German indemnity bill. The Duke was completely absorbed in his collection. Such was his passion for stamps, that it is said, that although a confirmed bachelor, he was at one time induced to advertise for a wife on condition that she bring him a penny Mauritius 1847. He had willed his collection to the German government.

The entire collection was valued by experts at from 30,000,000 to 50,000,000 francs. Stamp collectors have come to Paris from the four corners of the globe for the sale.

Lot Draws Highest Bid

The lot that drew the highest bid was a pair of stamps from English Guiana, the vertical 2 cents black on pink, dated 1850, and postmarked. These went to an Alsatian tobacco dealer for 210,000 francs. This bid for two little bits of tarnished paper on which even the picture was indiscernible under the post mark, is the highest ever recorded at a public sale.

A set of 2000 Uruguayan stamps, valued at 40,000 francs, brought 111,000 francs. The 2 pence blue indigo of Mauritius was bid 60,000 francs; the 4-cent black on blue from English Guiana, with the letters E. D. W., went to Mr. Caspary, the American collector, for 44,500 francs. A number of others brought from 12,000 to 30,000 francs each.

The highest bid for a single stamp heretofore recorded was 99,500 francs for the 2 pence blue indigo Mauritius, bid at a sale here in May, 1920.

Dresses Go Down All Around in Germany

BY CARL D. GROAT
United Press Staff Correspondent
BERLIN.—Germany, never noted for shapely ankles or dainty feet, is about to hide these extremities.

Fashion, as represented by the fall mode week, has decreed that. True, some short skirts were still there, but the prevailing style showed long skirts. Sometimes these were actually long; other times the length was attained by addition of lace or streamers or such like creations.

And, while the lowering of the skirt was thus ordained, the fashion arbiters also showed a startling tendency to drop the neck, giving an even more décollete effect than the past season's creations permitted.

Furs will be quite popular. Capes, popularized already this summer, were shown extensively, made from silk and lighter fabrics to furs.

The tailors for men also participated in the mode week, and their newest fall styles show a tendency to less color and less fancy sporting lines than was the case a year ago.

MAYOR IS MILK SERVER

PORT ALBERT, Canada.—Mayor McHardy of Nelson recently delivered the milk to Cornelius Vanderbilt, Jr. Vanderbilt, on a rest, has immured himself at his island chalet, on Sproat Lake, and welcomes only daily visits by the milk boat. Mayor McHardy in dicker for a launch with which to tour the lake, found Old Dad Fisher, who has had charge of the milk service for years. "Well," said Dad, "the regular charge is \$10. But if you'll take Vanderbilt's milk to him, you can take the boat for a dollar."

That night Vanderbilt's milk was delivered officially by a mayor.

HERITAGE OF SONG

EVEN IF YOU COULD "COAST" EVERYWHERE IN THE OLD "BUS"

IT WOULD COST YOU MORE THAN PACIFIC ELECTRIC FARES

The gas you burn is only a small item in your total cost of operation. Add to that the cost of oil, rubber, repairs and depreciation in the value of the machine, and see "where you are getting off."

The Government says it is costing you from 9c to 14c per mile.

You can ride the Pacific Electric way for 3c per mile for the occasional journey and for about 1½c per mile for the frequent (commutation) trips.

"CAN YOU BEAT IT?" YOU CAN NOT!

Ask any Pacific Electric Agent for the Commutation Fare on tickets best adapted to your travel needs. He will show you the true way to travel economy, and you do not carry the accident risk.

Pine Cones to Give Up Seeds to Furnish Forests for Future

NEW WESTMINSTER, B. C.—Seeds for the re-forestation of the British Isles will be extracted from pine cones gathered in British Columbia at a plant to be established here this fall, according to the announcement of the Imperial forestry commission.

Investigations of the commission, working on the huge reforestation scheme, have shown the Douglas fir and the Sitka spruce to be the trees best suited to the purpose and cones from these trees will be used exclusively.

The decision to establish the seed extracting plant came as a result of test shipments of cones. It was found that cones gathered green became mouldy in transportation.

In the plant the cones will be dried under hot air blast, and the cones dry and open the seeds fall from the drying cylinder of fine mesh into a hopper, and are then passed through a machine for breaking off the wing attached to each seed. The plant, it is expected, will handle a ton and a half of cones every six hours.

The present requirements of the government call for 3000 pounds each of fir and spruce annually, for which it will be necessary to gather 120 tons of cones. Sitka spruce cones will be collected mainly in the Queen Charlotte Islands, and the Douglas fir cones in the Fraser valley.

Resolution of Intention NO. 1239

A RESOLUTION OF THE COUNCIL OF THE CITY OF GLENDALE, DECLARING ITS INTENTION TO CONSTRUCT SEWERS, MANHOLES, FLUSH TANKS, LAMPHOLES, SEPTIC TANKS, CESSPOOLS AND APPURTENANCES IN PORTIONS OF MARYLAND AVENUE, BROADWAY AND HARVARD STREET AND IN CERTAIN ALLEYS AND RIGHTS OF WAY AND PORTIONS OF OTHER STREETS IN THE CITY OF GLENDALE AND DESCRIBING THE DISTRICT TO BE ASSESSED TO PAY THE COST AND EXPENSES OF SAID WORK.

Sixth: That a vitrified pipe sanitary sewer be constructed in the first alley east of Brand Boulevard and in Harvard Street and Colorado Street from a point in the north line of Harvard Street one hundred twenty-three (123) feet west of the west line of Maryland Avenue to a point ten (10) feet south of the north line of Colorado Street together with all manholes, lampholes, septic tank, cesspools and appurtenances all as shown on plans and profiles of said sewer designated as plan No. 422.

Seventh: That a vitrified pipe sanitary sewer be constructed in the first alley west of Brand Boulevard from a point ten (10) feet south of the north line of Colorado Street to a point one thousand eight hundred and ninety (1890) feet north of the north line of Colorado Street and across all intersections of streets and alleys or portions thereof along the line of said sewer together with manholes, flush tank, lampholes, septic tanks, cesspools and appurtenances all as shown on plans and profiles designated as Plan No. 422.

Eighth: That a vitrified pipe sanitary sewer be constructed in sewer right of way east of Brand Boulevard along a line parallel to the west line of Maryland Avenue from a point in the north line of Harvard Street one hundred twenty-three (123) feet west of the west line of Maryland Avenue to a point two hundred forty (240) feet northerly therefrom together with all manholes, flush tanks, and appurtenances, all as shown on plans and profiles of said sewer designated as Plan No. 422.

Ninth: That a vitrified pipe sanitary sewer be constructed along the center line of Harvard Street from its intersection with the center line of Maryland Avenue produced southerly to a point one hundred forty-four and eighty-three hundredths (144.83) feet westerly therefrom together with manholes, septic tank, cesspools and appurtenances, all as shown on plans and profile of said sewer, designated as Plan No. 422.

Tenth: That a vitrified pipe sanitary sewer be constructed along the centerline of Broadway from a point in the centerline produced northerly of that portion of the first alley west of Brand Boulevard which lies south of Broadway to a point one hundred thirty-five (135) feet westerly therefrom together with manhole, lamphole and appurtenances all as shown on plans and profiles of said sewer designated as Plan No. 422.

Eleventh: That a vitrified pipe sanitary sewer be constructed along the centerline of Harvard Street from a point nine (9.00) feet east of the west line of the first alley west of Brand Boulevard to a point one hundred thirty-five (135) feet westerly therefrom together with manhole, lamphole and appurtenances all as shown on plans and profiles of said sewer designated as Plan No. 422.

All the sanitary sewers, manholes, flush tanks, lampholes, septic tanks, cesspools, and appurtenances mentioned in this section shall be constructed in accordance with said plans and profile No. 422 and between the points on the lines and grades, and at the elevation designated thereon, and said manholes, flush tanks, lampholes, septic tanks, cesspools and appurtenances shall be constructed in accordance with plans thereof designated and numbered as follows:

Manholes, flush tanks, cast iron frames and covers in accordance with Plans No. 294.

Lampholes, Septic tanks, Cesspools and appurtenances in accordance with Plan No. 422.

All said work shall be done in further accordance with Specifications therefor furnished by the City Engineer of said City and adopted by the City Council entitled "Specifications No. 38 for the Construction of Sanitary Sewers in the City of Glendale."

SECTION 2. The plans and profiles referred to in this Resolution are on file in the office of the City Engineer of said City. The specifications referred to in this Resolution are on file in the office of the City Clerk of said City. Said plans, profiles and specifications are hereby referred to for a more particular description of said work and are made a part hereof.

SECTION 3. That the said contemplated work or improvement in the opinion of the City Council is of more than local or ordinary public benefit and said Council hereby declares that the district in said City to be benefited by said work or improvement and to be assessed to pay the costs and expenses thereof is described as follows:

All that portion of the City of Glendale included within the following described boundary lines, to-wit: Beginning at the northeasterly corner of Wilson Avenue and Orange Street; thence easterly along the northerly line of Wilson Avenue to the northeasterly corner of Wilson Avenue and Maryland Avenue; thence southeasterly across Wilson Avenue to the southeasterly corner of Wilson Avenue and Maryland Avenue; thence southerly along the easterly line of Maryland Avenue and its southerly prolongation to the southerly line of Harvard Street; thence westerly along the southerly line of Harvard Street to the southeasterly corner of Harvard Street and the first alley east of Brand Boulevard; thence southerly along the easterly line of said alley and its southerly prolongation to the southerly line of Colorado Street; thence westerly along the southerly line of Colorado Street to its intersection with the southerly prolongation of the easterly line of Orange Street; thence northerly along said southerly prolongation and along the easterly line of said Orange Street to the point of beginning. Excepting therefrom any portion of any public street or alley which may be included therein.

Reference is hereby made to Map No. 422 A, approved by the Council on which the assessment district referred to is shown within red colored border lines.

SECTION 4. That pursuant to the Act of the Legislature of the State of California approved February 27, 1893, and the Acts amendatory thereto,

Serial bonds bearing interest at the rate of seven (7) per cent per annum shall be issued to represent assessments of Twenty-five (\$25.00) Dollars or over for the costs of said work or improvement; said serial bonds shall extend over a period ending nine (9) years from and after the second day of January next succeeding the date of said bonds, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January, every year after their date until the whole is paid; and the interest shall be payable semi-annually by coupon on the second day of January, and July, respectively, of each year at the rate of seven per cent per annum on all sums unpaid until the whole of said principal and interest is paid.

SECTION 5. The City Engineer

is directed to make a diagram of the property affected or benefited by the proposed work or improvement as described in this Resolution of Intention and to be assessed to pay the cost and expense thereof. Such diagram shall show each separate lot, piece or parcel of land, the area in square feet in each of said lots, pieces or parcels of land, the relative location of the same to the work proposed to be done, all within the limits of the assessment district.

SECTION 6. The Glendale Evening News, a daily newspaper of general circulation published and circulated in said City of Glendale, is hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and by the persons required by law, and in which the Street Superintendent shall publish notices of the passage of this resolution.

SECTION 7. The Superintendent of Streets of said City of Glendale is hereby directed to post notices of the passage of this Resolution in the manner and in the form required by law, and to cause a similar notice to be published by two insertions in said newspaper in the manner required by law.

SECTION 8. The City Clerk of said City of Glendale is hereby directed to post this Resolution of Intention conspicuously for two days on or near the chamber door of the said Council and to cause the same to be published, by two insertions in the manner required by law, in said newspaper, and also to mail to each property owner whose property is to be assessed to pay the costs and expenses of said improvement, a postal card containing notice of the passage of this Resolution, and calling attention to the fact that said property is to be assessed for said improvement.

Adopted and approved this 22nd day of September, 1921.

SPENCER ROBINSON,
Mayor of the City of Glendale.
Attest: J. C. SHERER,
City Clerk of the City of Glendale.

STATE OF CALIFORNIA, COUNTY OF LOS ANGELES, CITY OF GLENDALE, ss.

Superintendent White Tells
Board of Education Plan
Relative to District

"What the board of education is planning to do for southern Glendale and the former Tropico district is a question which has come to me several times indirectly," remarked Richardson D. White, superintendent of city schools, this morning. "I heard that taxpayers in the neighborhood of the Cerritos school were dissatisfied because the bond issue does not provide for any expenditure there and that they intend to demand a certain percentage of the funds to be made available.

"The truth is that over half the proceeds from the bond issue will be spent south of Windsor Road. While no improvements are planned for the Cerritos school itself, the addition of four rooms to the Acacia school and the erection of a new south side intermediate school will relieve the Cerritos classes of all congestion.

"Of course, the dividing line for the new seventh and eighth grade school will be drawn on Elk or Colorado in order to improve conditions at the present intermediate school.

"I am sure if the residents of southern Glendale would call upon me or the board of education they would be satisfied."

SCHOOL ATTENDANCE GOOD

WASHINGTON—According to the census of 1920 there are 376,303 children 7 to 13 years of age in the state of California and of this number 352,563 or 93.7 per cent were reported as attending school. In 1910 the percentage attending school was 91.6, thus indicating an improvement as regards school attendance between 1910 and 1920. Of the children 14 and 15 years of age in 1920, 89.1 per cent were attending school and of those 16 and 17 years of age 54.7 per cent.

Of the white children 7 to 13 years of age 92.0 per cent were attending school in 1910 and 93.9 per cent in 1920. For colored children of the same age the percentage in the same interval increased from 92.4 to 93.8.

The percentage of children attending schools was larger in the cities than in the country districts, the percentage for children in the urban population 7 to 13 years of age being 94.3, while in the rural population it was 92.7. "Urban" according to the census definition includes all towns and cities and other incorporated places of 2500 population or more.

Standardized Pie Is Proposed; Even Fork Marks to Be Exact

CHICAGO, Sept. 21.—Pie—the great American dessert—must be reformed or it will meet the fate of the Do Do.

The activities of short change berry counters and mince meat moonshiners must be curbed.

This is the word that has gone forth from the pie architects of the country who were here today attending the convention of the American Institute of Bakers.

Out of the convention will come a uniform standard pie which will defy the cake-eating opposition and which will not cause indigestion.

Dr. H. E. Barnard, Minneapolis, outlined the nature of the great work. He told of the advantages of a definite number of fork marks on the edge of pastry, how thick the crust and how thick the "makins" should be to be digestible.

"Pie has come to mean all sorts of things," said the doctor. "When we get through you will be able to order pie and get pie—not a tart or a mountain of dough."

CATTLE HERDS MENACED

HOLLISTER—Measures to check a threatened epidemic of anthrax among cattle at San Benito and Bitterwater will be taken immediately. Dr. C. S. Brooks announced today. Dr. Brooks returned from examination of herds in the vicinity, reporting the discovery of several signs of the disease. Vaccination of the cattle was ordered.

Runnymede, Famous In History, Saved From Being Sold

LONDON—The hammer shall not fall tonight, or words to that effect, on historic Runnymede. This old marsh, where was signed the Magna Carta, has been taken from the auctioneer's list, after a storm of indignation had risen to prevent the site from being sold.

This venerable place, that witnessed the origin of constitutions as used in all English-speaking countries, has heretofore been owned by the government as "Crown property." It was put up for sale by auction last year, along with many other bits of land, but before it was sold, persons alive to its historical interest began protesting. A parson threatened to throw into the lake any auctioneer who would be so audacious as to try to sell it.

Finally, after an intense newspaper campaign, members of Parliament began asking the ministers questions as to the sale. It has now been announced that Runnymede will remain government property.

It was on June 12, 1215, that King John camped with his army on the site, and with the advice of his barons, drew up the charter and signed it.

With the extension of touring, especially by Americans, Runnymede has become more and more important, and the number of its visitors from all parts of the world grow annually.

There's no use in running if we're not on the right road.

SENATOR LODGE NOT SATISFIED WITH FIRST SESSION

Indifference of Senators to Result in Polite Warning, Is Plan of Leader

By L. C. MARTIN
United Press Staff Correspondent
WASHINGTON, D. C., Sept. 23.—Senator Lodge is displeased at the apparent indifference of many republican senators towards the big and important tasks upon which the senate has begun work. This indifference, Lodge thinks, was clearly indicated by the absence from the opening session of twenty-six republican senators of a total of fifty-nine.

As a result of the large absentee list, it is likely that unless the missing ones return within a day or two they will receive polite but firm notes from Senator Curtis, Lodge's chief lieutenant, urging them to "get on the job."

"Stick to Business"

Lodge enumerated the items on the senate's working program to show how necessary it is for republicans to stick to business if they are going to enact the administration's policies into law without delay.

The tax bill, Panama canal tolls repeal, the three peace treaties with Australia, Germany and Hungary, the anti-beer, the railroad refunding and foreign debt refunding bills are all pressing for consideration.

Furthermore, Lodge has factions and groups within his own party that cannot be properly controlled if a large number of "regulars" are absent.

Well, by Heck! See How Hollister Has Changed! Surprising!

HOLLISTER—Gosh, how the old home town does change!

If you'd come back and look it over again, you'd never know the old place, by cracker!

Those who live here may not have noticed it, but Hollister, according to a local paper, is a very different town from what it was ten years ago. Things have speeded up, progressed amazingly.

The writer, to begin with, cites a list of more than one hundred firms that used to do business here, and have since changed or disappeared.

Ten years ago, it is asserted, the Hollister fire department was equipped with two wheeled hose carts pulled by men running afoot and operated by hand. Now the department is motorized and the town has a regular fire alarm system.

Among the other changes noted are:

Electric lights instead of the old fashioned street lamps.

Bridges which ten years ago were washed away, have been repaired.

A lot of the streets have been paved or else are going to be paved.

Some of the old saloons are now operating as soft drink emporiums.

A new board of supervisors, or practically new has been elected.

"The purpose of this article," the writer concludes, "was to show that Hollister does change and does progress. When we started to write it we did not dream the change had been so great and believe these statistics will surprise the reader as much as they did the writer."

RICHEST GERMAN WOMAN

SONOMA—The mother of Chris Bosse, who died in Sonoma in 1918, will be the richest woman in Germany when she receives her share in the estate he left. The mother, who resides in Germany, will receive what at the present exchange will amount to 25,000,000 marks, according to Public Administrator Frank Phillips. This, he declares, will be the largest single fortune in Germany in the name of a woman, according to the records of the alien property custodian. The estate is valued at over \$400,000.

Health Is One Thing You Can't Afford to "Experiment" With--

You can buy anything on earth if you have the money—except HEALTH. You can "experiment" with almost anything on earth except health—and perhaps love.

So when you "feel bad," don't try the experiment of self-medication. You're taking a big chance with a human's most precious possession.

Just because some one else seemed to feel sick the same way you do is no reason why you can get benefit from the same medicine used.

The way to play safe—the way to take the least possible chance—is to call your doctor and let him suggest what will help nature get the new start she needs.

His suggestion for help is:

POWDER RIVER LADS ARE PREPARED FOR GREAT REUNION

Nearly 20,000 War Veterans
Will Invade Los Angeles
Saturday and Sunday

Los Angeles streets again are due to be flooded with a sea of khaki Saturday and Sunday with the arrival of between 15,000 and 20,000 veterans of the Ninety-first, Wild West, division for their second annual reunion.

Cowboys from the Powder river country of Wyoming and Montana, from whom the division got its battletory of "Powder River! Let 'er Buck!" are coming in by side-door Pullman; dignified shoulder-strap-pers from as far away as St. Louis and the middle west are dropping off de luxe trains; San Francisco and the country round about is sending down 500 men by the war-time transport Harvard; another 500 from San Francisco are joining motor caravans which start from Sacramento and Fresno; San Diego is crowding the stages and the trains; interurban trains from nearby towns are a mass of olive drab.

Mayors of twenty cities along the coast, from San Diego to Everett, Wash., have issued proclamations calling attention to the importance of encouraging men of the division to keep alive their memories and associations of '17 and '18, and asking employers to give Ninety-firsters attending leaves of absence. The day they left was proclaimed a holiday in some of the cities, just as it was in 1917. Every city of size in the Ninth army corps area—California, Oregon, Washington, Idaho, Montana, Utah, Nevada and Wyoming—is represented in the men gathered here.

No Close Program

The two days of the reunion have not been closely programed. The Powder River men will want to foregather and fight the war over again, the committee in charge has believed. There has been no effort to fill their days full of entertainment. Saturday morning the great rush of arrivals is expected to begin and half a hundred local veterans of the division are to put on their olive drab and overseas caps and rush to depots, bus stations, hotels and other handy greeting places and from there steer the visitors to division headquarters at clubrooms of L. A. Post No. 8, American Legion, Third and Spring streets. Thirty women, former war workers, recruited by the Community Service, there are to register the men. Name and present address, former unit and rank are to be recorded so that in case of emergency the reserve organization of the division will be able to assemble by wire the nucleus of a division composed of men with field experience.

To Hold Open House

Doughnuts and coffee are to be handed out by the Salvation Army, cold drinks by the Y. M. C. A. and numerous other favors by other war relief organizations. Boy Scouts, in uniform, are to act as messengers. Victory Post of the American Legion is to hold open house for men of the Ninety-first at clubrooms, 327½ S. Hill street, with members of the Women's Auxiliary serving refreshments.

Five hundred men from San Francisco and the surrounding country will be in the first, and largest, organized troop expected. Mayor James Rolph, Jr., "father of the regiment" to the Three Hundred Sixty-third infantry, "San Francisco's Own," declared his intention of coming down on the Harvard with "his boys." David B. Barrows, president of the University of California, and John Quinn, state commander of the American legion, are two other distinguished guests expected to arrive with the San Francisco contingent.

Hollywood Legion band of forty pieces is to meet the San Francisco contingent at the Pacific Electric depot at 11 a. m. and head a parade through the city streets to division headquarters. The band has been engaged for the two days of the reunion. Five other bands have also been engaged for various events during the two days.

Sightseeing Trips

During the afternoon and following registration of the men and billeting at regimental headquarters, there will be a series of sightseeing trips conducted by local associations of the various units of the division. Motion picture studios will be visited, the bathing beauties at the beaches given the once over and other entertainment made available for such of the men as desire it. Scores of automobiles have been donated to the committee in charge of this phase of the work.

Motion picture studios which refused to open their doors to dozens of other gatherings have broken all rules for the men who went overseas in 1918 and made the continuance of their business possible. One of the largest is going to photograph a group of several hundred of them.

Saturday night will come the first big event. Six banquets will be held at the largest and best of the city's restaurants. Memories of corned willie and gold fish will be smothered

MOORS ARE WAGING HOLY WAR WITH GERMAN ARMS

Revolt in Spanish Morocco Is
Being Keenly Watched by
Authorities of France.

By JOHN O'BRIEN

United Press Staff Correspondent
PARIS—French political and military circles are watching with keen interest the progress of the revolt in Spanish Morocco, which apparently is developing to such an extent that the evacuation of the Spaniards of Melilla, which they have occupied since the days when Columbus was discovering the islands of the Caribbean, is looked upon as certain. French military experts emphasize the essential unity of the French and Spanish fronts in North Africa, a weakening or collapse of one portending grave peril for the other.

The revolt of the tribes of the Rif is looked upon as a Holy War. Success is bound to have a far-reaching effect on the entire world of Islam. During the great war there was much talk of a "djelal," or combined effort of all the countries owning Mahomet as Allah's prophet, to drive out the "gour," but this is the first time in centuries that such a movement has met with pronounced success. Victory for the Moors in the Spanish zone would, it is believed here, find an echo all through northern Africa, Asia Minor and even in the Far East.

Vast Plan Proposed

Marshal Lyautey is putting into execution a vast plan for the permanent pacification of the Middle Atlas region, south of the Spanish zone. He presided on July 31 the ceremonies incidental to the termination of the Fez-Taza railroad, the last link in a line nearly a thousand miles long, connecting Bizerta, the Tunisian port, with the Atlantic and providing ample means of communication between the trade centers of Morocco and Algeria. The French war office realizing the danger of Lyautey's plans which would be the inevitable result of a Spanish debacle, has ordered the closing of the frontier between the French and Spanish zones and other measures of a purely military nature have been taken to prevent the incursion of rebellious tribesmen.

Stress is laid on the fact that the Moors seem to be well provided with field guns and ammunition, and are able to use them effectively. During the World War, Germany was able to utilize the Spanish zone in Morocco as a base for landing arms to be used against the French in Africa and point out that it is these arms that are now being turned against the Spaniards.

Huge Sum Expended

Spain has spent more than \$100,000,000 in the last year in her effort to smash the power of Raisuli, Abdel-Krier and other Mohammedan leaders, but the effort has been vain. In the five centuries during which Spain has been trying to establish her rule in the country across the Straits of Gibraltar, her military position has never been so precarious as it is just now. Her prestige, and the prestige of France and England, the other great Mohammedan powers, is rapidly declining. The military junta in Spain is loudly calling for mobilization of every available man to recruit an army of 100,000 men for a determined effort to prevent Spain being wiped off the map as a colonial power. On the other hand, the Republicans and Socialists are organizing demonstrations against the militarists and there have been clashes with police and soldiers at Madrid, Bilbao, Saragossa and Barcelona.

If internal troubles or military failure should result in the loss of the colony which Spain has treasured as the last remnant of her once proud empire, observers predict that King Alfonso will have the hardest task of his career to hold his throne.

SAN FRANCISCO ILLITERACY

WASHINGTON, D. C.—The census bureau reports that in the population of San Francisco, Calif., as enumerated in January, 1920, there are 8,520 persons 10 years of age or over who were illiterate in the sense of being unable to write, including 563 native whites, 6,535 foreign-born whites, and 63 Negroes. The percentage of illiteracy in the total population 10 years of age and over is 1.9, which shows a decrease since 1910 when it was 2.1. For the native white the percentage is 0.2, for the foreign-born white, 4.8, and for the Negro, 3.1.

That the younger generation in this city is less illiterate than the older, is indicated by the fact that while 2.0 per cent of the males and 2.5 per cent of the females 21 years of age and over are illiterate, the percentage of illiteracy in the population 16 to 20 years of age is 0.5.

IN CELL WITH DAUGHTER

ASTORIA, Ore.—"I know whose love will follow me still, Mother or Mine." The words of Kipling were borne out again in actual life, when Mrs. Cora Frederick, charged with larceny, was lodged in the city jail. Her aged mother, Mrs. Albert Ames, made the long journey from Eureka, California, to be with her daughter to comfort her in her distress. Mrs. Ames applied for and received permission to occupy the cell with her daughter, awaiting trial.

SCHOOL CONDITIONS TO BE DISCUSSED AT CONFERENCE

Southern Glendale People to
Meet Board of Education
About Cerritos Building

(Continued From Page 1).
at the corner of Brand and San Fernando, which is about two blocks away from the school, or at San Fernando and Cerritos, almost three blocks away, members of the club stated that it would be necessary to have the immediate use of the engine from fire station No. 1, which is equipped with a pump. The loss of time in getting ample supply of water to the school in case of fire, the exceedingly dry condition of the wooden structure which, it was stated, is one of the oldest public buildings in Glendale, and the overcrowded condition at the school, were the three factors upon which the members of the Southern Glendale Improvement club and parents of children at the school based their assertion that the school building was a fire menace.

Committee Appointed
Members of the club stated that they wanted it clearly understood that they were not criticising any of the educational methods being used, but were merely desirous of having the present fire danger remedied.

A committee consisting of Mrs. E. J. Morgan and Mrs. E. C. Fairfield was appointed to notify parents of children attending the school and also property owners and residents of the southern section of the city that a mass meeting was to be held next Wednesday night at the branch library building.

W. E. Anderson reported that he had interviewed City Manager Reeves in regard to securing larger water main for the neighborhood of the school and that the latter had informed him that there was a carload of pipe on the way, which would arrive in about three or four weeks, and that he would use every energy to relieve the present condition as soon as the pipe arrives.

Dr. Harry St. Clair spoke on the work of the Chamber of Commerce and urged people of the southern section of the city to become members.

The matter of the discrepancy of street signs at Los Feliz and Brand boulevard was brought to the attention of the club by one of its members, who stated that there were three signs reading, Tropic avenue, Guthrie center and Los Feliz Road.

The meeting then adjourned to meet again Wednesday night, September 28, at 7:30.

TWO ARE BURNED TO DEATH

BAKER, Ore., Sept. 23.—Lock Sell, 80, blind, and Lu Lun, aged 68, were burned to death, and Lock Sun, a third Chinese living in a large house near the Chinese gardens on Campbell street, narrowly escaped death by jumping out of a second-story window when fire destroyed the building.

PERSHING MEETS OFFICIAL

PARIS, Sept. 23.—General Pershing, accompanied by Ambassador Herrick, paid a formal call on President Millerand. After being warmly greeted by the French president and spending a half hour in friendly chat, Pershing went alone to call upon Louis Barthou, minister of war.

Evening dew is unhealthful, being laden with noxious exhalations.

S. S. Beran Company's Office Being Enlarged

The S. S. Beran company states that due to the rapid growth in business they are forced to enlarge their offices and have purchased J. J. Deakin's real estate brokerage business to obtain satisfactory quarters.

The company also has added a draftsman and bookkeeper to their force here and now are equipped to handle any class of construction work, guaranteeing satisfaction and reasonable costs.

Gordon Is Remodeling Interior of His Store

In order to make more room for incoming fall merchandise new show-cases, shelves and tables are being installed in Gordon's ladies' and children's furnishing store at 119 North Brand boulevard.

SHOOTS HEIRESS AND SELF

NEW YORK, Sept. 23.—Driven mad by the "high life" of New York, Mrs. Grace Lawes of San Francisco early today shot and seriously wounded Miss Mildred Hanan, 24, heiress of the Hanan millions, and then committed suicide. The shooting occurred on the sidewalk of Schermerhorn street, Brooklyn, as Miss Hanan and John S. Borland, an exporter, emerged from the residence of a friend, where they had spent the evening.

Mrs. Lawes, who was an old chum of Miss Hanan, suddenly confronted them and started shooting. Miss Hanan, with bullets in her arm and chest, ran a few yards and then collapsed on a doorstep. The other woman put the muzzle of the pistol in her mouth and pulled the trigger. She fell dead in an arway. Police found Borland sitting beside the millionaire on the doorstep, trying to staunch the flow of blood from her wounds.

construct sewers, manholes, flush tanks, lamp holes, septic tanks, cess-pools and appurtenances in portions of Maryland avenue, Broadway and Harvard street and in certain alleys and rights of way and portions of other streets in the city of Glendale, and describing the district to be assessed to pay the cost and expenses of said work," was adopted by the following roll call: Ayes, Davis, Kimlin, Lapham, Robinson, Stephenson; noes, none.

Salary Ordinance Adopted

On motion of Councilman Kimlin ordinance previously presented to the council was adopted as ordinance No. 484, "An ordinance amending ordinance No. 460 of the city of Glendale passed July 23, 1921, and entitled, "An ordinance of the council of the city of Glendale fixing the salaries of officials of said city, authorizing employment of certain employees and fixing the compensation or rates of pay therefor and repealing all ordinances conflicting therewith."

Ordinance Presented

Councilman Kimlin presented an ordinance, "An ordinance providing for the signing by the mayor of certain municipal improvement bonds

authorized to be issued prior to the adoption of the present city charter, and authorizing the sale thereof," which was read and laid over.

Protest Denied

On motion of Councilman Kimlin, the following resolution was adopted on roll call as follows: "Whereas, this council did by resolution No. 1232, passed September 1, 1921, declare its intention to order the doing of certain work on Orange Grove avenue in the city of Glendale between Adams street and Verdugo road, which said work included the construction of sidewalks on said Orange Grove avenue and certain persons have within the time allowed by law filed with this council a protest against the including of said sidewalks in the work to be done, and it appears that said protest is signed by the owners of a majority of the frontage of the property fronting on said proposed work; Now Therefore, All of said protests are hereby set down for hearing on the 29th day of September, 1921, at 8 o'clock p. m. and the clerk is hereby directed to notify the persons making such objections by depositing a notice thereon in the post office at Glendale, Cal-

ifornia, postage prepaid, addressed to each objector, or his agent, when he appears for such objection."

City Attorney's Bill

The city attorney, Hartley Shaw, presented a bill to the council for extra services in accordance with contract accompanied by a letter of explanation; total amount of the bill being \$325.

On motion of Councilman Kimlin, it was ordered that bill be approved and warrant ordered to be issued in payment of the same, by the following roll call: Ayes: Davis, Kimlin, Lapham, Robinson, Stephenson; noes, none.

Four Bungalows Are Being Completed at Garfield and Pacific

Four frame bungalows are now being erected at the southeast corner of Garfield and Pacific avenues. The one at 408 West Garfield is being built by Hilmar Bruggeman in conjunction with the Irving Building company of Glendale while his nephew, J. O. Bruggeman, is constructing the other three.

It is understood that all these houses are for sale and that the Irving Building company intends to erect at least one bungalow a month.

MAN DEAD, WOMAN IS HURT

DENVER, Colo., Sept. 23.—J. A. Reynolds, oil operator of Texas and California, was dead here today and Mrs. Hazel Barnett, 30, was in a serious condition at a local hospital following the shooting of the woman by Reynolds who then turned the gun on himself.

Mrs. Barnett, who will recover, said she met Reynolds in Fresno, Cal., and that he had been following her around for several weeks. Reynolds and Mrs. Barnett were sitting on the court house lawn here when the shooting occurred. It was witnessed by a large crowd.

Open Fireplace One of Features of Home Built by H. Reuter

An open grate fireplace is one of the features of H. Reuter's five-room bungalow now under construction by the owner at 356 West Anacia avenue.

Mrs. Reuter made the trip to Glendale yesterday from their present home in Los Angeles and expressed her approval of the new home. She was especially pleased with the kitchen nook.

Mr. Reuter says that the sooner he gets the house finished and can move in the better he will like it.

MAY QUESTION OFFICIALS

WASHINGTON, Sept. 23.—Imperial Wizard Simmons of the Ku Klux Klan and other high officers of the organization may be summoned for a conference with the department of justice, Attorney General Daugherty indicated here today. Daugherty pointed out that he had full power to call to Washington any person he deemed necessary in his investigation of the Klan activities.

Tourists have been conscripted by the Royal Northwest mounted police to fight a severe forest fire north of Waterton Lakes Park, Alberta.

Spend Sixteen Years In One House; Build Home In This City

Sixteen years in one Los Angeles home is the record of Mr. and Mrs. I. Q. Cole. They could not resist the lure of the Glendale foothills, however, and now, for the first time in forty years, they are camping in a tent on the corner of Acacia and Colunabus avenues while their new home at that locality is being built.

Mrs. Cole is very enthusiastic about the neighborhood and remarks that she will be able to see the "mountains" from either the front or side of the house.

They find the tent rather warm during the day, but pleasant at night and are hoping to be able to move into their new home in about three weeks.

An edict to the effect that girls with bobbed hair would no longer be employed was recently issued by a well-known department store in Chicago. The new rules also placed a ban on rouge, powder in excess, rolled down stockings and extreme styles in hair dressing. Dresses trimmed with spangles or embroidered parts are also banned.

R. P. Smith Building Bungalow; Expects to Occupy It Saturday

"I had to build in order to get a place to move," remarked R. P. Smith, holding his hammer aloft and pausing long enough in his nail-driving to discuss his new home at 355 West Garfield avenue.

This bungalow is about two-thirds finished but Mr. Smith, who is a carpenter by trade, intends to move in Saturday and finish the interior later. He has been living at 1243 Boynton street.

Mr. Smith is a local contractor and builder and expects to build upon the front of his lot before long.

Nova Scotia will soon be the only place on this continent using the foreign traffic rules. "Old country" traffic rules calling for left-hand instead of right-hand passings are to be abolished in British Columbia by a law recently passed by the British Columbia legislature.

Aquatic birds that float high on the water, it is said, can also sink at will by expelling the air enclosed within the film of feathers surrounding their bodies, making themselves heavier than water.

auxiliary and work beside them in perfect harmony, there being no occasion for friction. Our work is for our boys."

Temporary Officers
Following is a list of the temporary officers who were chosen to guide the destinies of the Glendale chapter until regular officers are elected: Mrs. Virginia Rowley, president; Mrs. Della McGillis, recording secretary; Mrs. Dellan Dick, corresponding secretary; Mrs. Bertha Webb, treasurer. Upon motion it was decided that the charter, which will be granted to the local chapter within the next few weeks, is to remain "open" for six months, during which time all ladies who join the society will be classed as charter members.

Although there was no definite meeting place announced yesterday it was decided that the next meeting, which has been scheduled for October 14, will be held at Mrs. Dick's residence. The women will meet at regular sessions on the second and fourth Friday of each month. Announcement was made during the afternoon to the effect that Emil Kiefer, commander of Glendale post, No. 127, American legion, had offered the use of their hall on East Broadway at any time to the War Mothers.

Those Who Joined
A list of fifteen women who joined the organization yesterday are Mesdames Dora Gibson, T. A. Wells, Ella Richardson, George Clayton, J. B. Doner, Alex Mitchell, Bertha Webb, Della McGillis, Margaret Fullerman, Catherine B. Rowe, Carrie W. Smith, Virginia Rowley, Harry Gould, J. E. Eckles and Dellan Dick.

Mrs. Dick and Mrs. Sherwood, who are to be Glendale's representatives to the national convention at Sacramento next week, will leave this afternoon at 3 o'clock for the north. The trip will be made on the steamer Yale, the two women to be the guests of Mrs. Sherwood's son, Bert Sherwood, who is secretary to the commander of the boat. While in San Francisco Mrs. Dick will spend several days with her daughter, Mrs. Jane Dick, who is government librarian on Mare Island and who has been in the employ of the government for the past five years. She will also enjoy a few days' visit with her other daughter, Mrs. Margaret Penland, who is now living in the Bay City. Mrs. Penland is a former resident of Glendale and is well known among the younger local social set.

Morris Schick's New Bungalow on Windsor Road Being Completed

"This house has living room, dining room, kitchen, bedroom and bath," declared one of the carpenters on a new bungalow at 315 West Windsor Road. "It also has a screen porch and front porch, and don't forget the steps and sidewalk!"

The bungalow is being constructed for Morris Schick, who lives at 715 South Central avenue, and it is understood that the property will be offered for sale as soon as completed.

Mountain View Tract Property In Demand

W. H. Armstrong, manager of the Burbank-Glendale Realty Syndicate, which recently has marketed the beautiful Mountain View tract lying between the San Fernando Road and Pacific Electric car tracks, reports the rapid sale of the property as the result of newspaper advertising. Of course, Mr. Armstrong is offering something unusual in the way of realty values, but the response of buyers leads him to the conclusion that Glendale is a good field for realty prospects.

Hubbard's on Broadway Is Name for New Store

"Hubbard's on Broadway" is the new name for the confectionery store located at 604 East Broadway, P. H. Hubbard having recently purchased the place. He was formerly employed by Roberts & Echols, druggists. Mr. Hubbard has redecorated the store in a most pleasing manner and will feature an all-day luncheonette service in addition to handling such well known lines as Kaighin's candies and Christopher's ice cream. Service will be the watchword of the store.

Sam Maverick, a Texas attorney, in the early days accepted a herd of cattle in payment of a debt and left them in charge of a man who neglected them and allowed them to run wild on the range. When the calves were born they were appropriated by other ranchers who branded them calling them "mavericks." Today unclaimed cattle branded in the round-up are known as "mavericks."

Heavy Investment Is Being Made In Grand View Memorial Park

For the visitor who has not recently seen Grand View Memorial park, the only cemetery in Glendale, a most remarkable improvement in the beautiful grounds is noted. Len C. Davis, superintendent, is leaving nothing undone to make it an ideal city of the departed. He already has invested \$65,000 and has plans for the expenditure of \$35,000 more as soon as conditions warrant.

Already the improvements have been mentioned and they completely cover every phase of cemeterial equipment. Within a few days the new chapel will be at the service of the public. Undoubtedly those with dear ones resting in the park visit Grand View often, yet there are many others who would be pleased to know what Mr. Davis offers and a motor trip out Kenneth Road to Grand View avenue and then south to Sixth street will show better what is there than words can describe.

Broadway Shoe Store Owners Get Diplomas

Alfred Baines and Arthur Eckle-barger of the Broadway Shoe Store, 312 East Broadway, have received diplomas from the National School of Orthopraxy of St. Louis, Mo., which states they are equipped with full knowledge for fitting the feet. It has meant several months of book study for Messrs. Baines and Eckle-barger to better learn a business in which they have spent years, but if it will benefit the customers of the Broadway shoe store, the satisfaction will be worth the time.

"Gossip" by housewives is forbidden by the municipal council of the German township of Suhl, because of the loss of time and neglect of duty occasioned thereby. Police have orders to arrest all women found gossiping on doorsteps or over garden walls. Gossip is allowed only on Sunday afternoons and after sunset.

"Millions Now Living Will Never Die"

—Judge Rutherford.

"Millions Now Living Will Never Die"
In less than a year this proclamation has found its way into thirty languages and the message is being heralded to millions of people in thousands of cities in every land of the earth. "Millions Now Living Will Never Die." Who ever heard of such a thing. Preposterous you will say. So said the scoffers to Noah; they had never seen rain—but the flood came on time.

"Millions now living will never die," but will enjoy unending human life on the earth and ascend a highway of righteousness to full perfection of body, of mind, of character, in company with their loved ones returned from the grave. When the kingdom of God is fully established mankind will have no more fear of sickness or accident, old age or death; no more dread of loss of home, or loved ones, or livelihood; no more sorrow or tears.

"Millions Now Living Will Never Die"
You may be one of them. Go! Hear the proof of these most marvelous tidings. Testimony upon testimony, evidence upon evidence, Biblical, historical, scientific—appealing to your reason as well as to your heart—will be presented without cost in these two lectures:

Beautiful Mountain View Tract

will be one of the most desirable residential sections in the vicinity of Glendale.

The location of this tract has a marvelous setting; all the lots are extra large, level and command a beautiful view of the mountains.

A Large Number of These Lots Have
Been Sold the Last Five Days

And at the present rate of sale will not last long.

By acting at once you have the opportunity to buy one or more of these lots at the present low prices—and pocket the increase in value during the next year—as this tract is located between Burbank and Glendale, in one of the most rapidly growing sections of Los Angeles County.

Remember the residential lots of this tract are 100x157 feet, over twice the size of ordinary lots, affording plenty of ground for gardens, lawns and building, the soil being of the best, with water, gas and electricity, improved streets, including curbs and walks, and with REASONABLE BUILDING RESTRICTIONS. A two-story business block is to be built at once, and three business lots already sold. You must act quickly! Will build bungalows to suit buyers.

PUBLIC TO INSPECT GLENDALE STATE BANK SATURDAY

Nine Directors Are Local Men
and Well Known; Elaborate
Quarters Made Ready

Finishing touches are today being put upon the Glendale State bank, Glendale's newest financial institution, located in the Central building on East Broadway, just off Brand boulevard.

And Saturday night, from 7 until 10 o'clock, the officers and directors of the bank will receive the public for the purpose of inspecting the elaborate quarters. Music will be furnished by a stringed orchestra and refreshments will be served.

As the Glendale State bank is a representative Glendale institution, being owned and controlled by local people, many friends of the officers and directors will attend the informal reception and inspection Saturday night and, too, large numbers of the general public, interested in the rapid growth of Glendale evidenced by the establishment of another banking house, will be present.

The bank's quarters in the Central building were remodeled especially for it, presenting a very creditable appearance, an asset to Glendale and a very fitting home for the financial institution.

Directors Well Known

Officers and directors of the Glendale State bank are well known. The officers:

Charles H. Toll, president.

A. R. Eastman, first vice-president.

Howard W. Walker, vice-president.

C. D. Lushy, cashier.

The directors, and a brief statement about each, follow:

CHARLES H. TOLL—Resides at 1635 Kenneth Road. Vice-president of the Security Trust & Savings bank of Los Angeles. Prominent in Glendale's civic affairs. Mrs. Toll is active in city's educational circles and widely known in southern California club circles. Both take a great interest in all that is for the advancement of Greater Glendale.

A. R. EASTMAN—Has general direction of the bank's affairs and in active charge. Was president of the Oklahoma State bank at Guthrie, the former capital of the state. Came to Los Angeles about ten years ago. Entered the loan and investment business. Took the management of both branches here of the Los Angeles Trust & Savings bank. Resigned about the first of the year to organize the Glendale State bank. One of the organizers of the Glendale Chamber of Commerce. Active in civic affairs. Resides at 709 North Louise street.

W. E. EVANS—For more than ten years city attorney of Glendale. Well known as public speaker. Owner of a great deal of property. Takes much interest in the city's welfare and is ever ready to give his time to public enterprises. Resides at 333 North Orange street.

HOWARD W. WALKER—Part owner of the Central building in which bank is located. Resident of city for about fourteen years. Active business man and a strong supporter of Greater Glendale. Resides at 1439 East California avenue.

OMA A. FISH—Owns several apartment houses and is building brick block on West Broadway. Prominent in business and automobile circles and active in furthering the city's interests.

C. D. LUSHY—Assisted in organizing Glendale's first savings bank in 1913, and for eight years served the same as stockholder and cashier. Resigned about a year and a half ago to enter realty business, the firm being Lushy & Campbell. Sold his interest to become director and cashier of The Glendale State bank. Director of the Chamber of Commerce and well posted on business affairs of the city.

PETER L. FERRY—One of the city's pioneers. He is gray-haired, but declares he is only 37 years of age. Prominent as a contractor. Has paved many streets here and is the builder of the city's reservoir in Verdugo canyon. Director of Chamber of Commerce. Resides at 614 East Acacia avenue.

C. E. KIMLIN—Manager of the Glendale Sanitarium and Hospital. Member of the City Council. Has had many years of business experience. Formerly in real estate business. Takes active part in civic affairs and always to the fore in matters for the betterment of the community. Resides at 219 North Isabel street.

JOHN H. BRALY—Retired capitalist and realtor. One of the pioneers of the southland. Has organized a number of banks. Has large acquaintanceship throughout southland and the east. Has always taken a deep interest in Glendale and its advancement. Resides at 505 North Brand.

Humphrey Automatic Water Heater Co.

Now has its branch in Glendale. Automatic water heaters as low as \$60. For further information phone C. E. McPeck, the plumber, Glendale 889, 110 W. Broadway.

Former Residents of Pennsylvania Now Here Requested to Register

Dr. F. M. Collier of 125 1/2 North Brand boulevard, formerly from McKeesport, Pa., is preparing a directory of former residents of Pennsylvania now living in Glendale and the immediate vicinity.

It will be for the pleasure and interest of all Keystoneers to be listed and they are invited to consult it for the names of friends and acquaintances at any time.

For the sake of convenience Dr. Collier would like those who are not registered to call at his office or telephone him their names and addresses.

Marionette Show for Vaudeville's Feature

Remember the marionettes? Sure you do.

In the days before the photoplay the marionette show was all the craze. It started in France, pleased England and made America laugh.

Albert and Rozella and their royal English marionettes will appear on the Glendale Theatre's vaudeville program tomorrow night. They are the best entertainers of their class in America today.

The California Trio, three beautiful girls, who play the violin, cello and piano divinely, are the other headliners. Three other acts complete the variety while the usual film feature will be shown at both the matinee and evening performances.

Sebastian's Grocery Installs Meat Market

Sebastians' Grocery, at the corner of Glendale and Wilson avenues, has installed a meat market and now is providing a large patronage with fresh and salt meats. A bakery, soda fountain and vegetable stand also are maintained in conjunction with this enterprising grocery in eastern Glendale.

City Manager Reeves to Be Speaker at Meeting of Legion

An unusually large crowd of former service men is expected to attend the regular weekly meeting of the local post of the American Legion tonight, a special program having been arranged for the occasion. Following the regular business session, which will include the initiation of a number of candidates, City Manager W. H. Reeves, who is one of Glendale post's newest members, will give a talk to the boys.

Another special attraction that will be presented at tonight's meeting will be a humorous repertoire of "Jazz 'n' Everything" by Hugh Faxon, the well-known vaudeville star.

A number of "big things" are being planned for the near future by the local legionnaires.

Max Green Is Pleased With Results at Fair

Max L. Green of Green & McClellan, San Fernando valley distributors of Oakland motor cars, with headquarters here at 115 West Harvard street, is pleased with the results he is obtaining from his exhibit at the San Fernando Valley Fair and Market this week.

"Our sport model is attracting a great deal of attention in the industrial tent," he told The Glendale Evening News representative. "Many orders are being placed now and local people wishing early delivery should get in touch with our sales department at once if they want one of these popular cars."

Betty Ross Clark Is Given Hearty Welcome

Betty Ross Clark, who plays the part of the sweetheart opposite Lloyd Hughes in Thomas H. Ince's great heart-interest story, "Mother o' Mine," received a great ovation last night after a personal appearance at the Palace Grand theatre. She will be present again tonight and tomorrow evening, the concluding showings of the picture. Manager N. J. Fleming has the little lady's ticket-taker presenting each mother with a carnation in honor of "Mother o' Mine."
